

OUR GREAT JULY CLEARING SALE

Was inaugurated for legitimate purposes. We wanted to reduce our stock. We were anxious to turn many lines of merchandise (in which we were heavily stocked) into ready cash. We did not stop to figure what we paid for these goods, but we marked them at prices such, in fact, as have never before been named on goods of like quality. Hundreds of people have taken advantage of this sale and have found that they could well afford to buy even in advance of their actual present needs. The sale continues, and you are especially invited to come this week. Many new bargains will be offered, many new features are arranged for.

Glance down this list, which is far from being a complete list of the bargains we offer, and mark the particular items in which you are most interested. Then come direct to us and we will guarantee that you will leave our store agreeably surprised and satisfied:
