Young Rye for Pasturage. Young rye is one of the most valu-

able crops after frost appears that can t serves as pasturage and provides green food for quite a period after all that Swede girl is. I dunno how some this neighborhood say I drink too much other green crops are gone. It also gives the earliest green food in the spring. Rye is so easily and quickly obtained in the fall that there is no reaevery fall where stock can be kept. Do | -New York News. not allow the animals on the rye when do damage by trampling, but otherwise the rye will stand close grazing .-Prairie Farmer.

An Old-Time Plague in Paris. In the middle of the fourteenth century in Paris a new ordinance enjoining the cleansing of the streets and the shutting up of swine was carefully neglected, as usual, and a terrible know." plague was the consequence. The faculty of medicine, called upon for a remedy by the king, sent to inform him, after a long discussion, that the plague was the result of a hostile conjunction leges have been so rudely cut off.-San of the planets Mars and Jupiter.

ring was always sure to be beloved by all who knew him and was, besides, to be considered as the head of the family without regard to birthright.

Being one day alone with his eldest hats at cost, 1204 O street, Lincoln. son, he promised him that he should inherit the ring, and at another time to the second son, seeming to him the most worthy, he made the same promise and even did the same thing another day to the third son. Soon after this he was at 1 00 Paine's Celery Compound....75c tion on J. D. JACKSON, tacked by an illness and feared that his end was drawing near, yet he was still unable to decide to whom he should really leave the ring, feeling so unwilling to deprive two of his sons of that to which all seemed to have an equal claim. At

choose between them.

last, in the midst of his perplexity, a new idea struck him, and he sent secretly an order to a jeweler to make two rings after the pattern of the magic ring and to spare no expense or pains to make them exactly like it. The jeweler was very skillful and suc-

Many years ago there lived in an east-

death it should also remain in the pos-

session of his own family. So he be-

quenthed the ring to the one he loved

best among his sons, with the condition

that he in turn should bequeath it to his

favorite son, and so through all succeed-

beloved by his fellow men.

he brought the two rings he had made and showed them to the nobleman with the original ring the latter could not discern which of the three was the true one. He paid the jeweler a large sum of money for his work and dismissed him. Then he called his eldest son to him and took a tender farewell of him, bestowing upon him his blessing and one of the rings. which the son of course supposed to be the true and only one. He next sent for same way to him, giving him also a ring,

and when the funeral was over the eldest son spoke to his brothers and to the friends who were assembled and claimed 141 So. 9th St. Lincoln, Neb. to be the head and ruler of the family as being the possessor of the ring.

Great was the astonishment of the other brothers and all were amazed when each showed his own ring and told of his father's last words to him and made the same claim that the eldest had made.

from the others, and the brothers determined to bring the matter before the judge. The judge questioned all the brothers closely, but each one affirmed had privately promised to give the ring to him alone and that upon his deathbed the had sent for him and had actually given him the ring.

Not one of them was willing to believe

To Frank Sloan, Charles Sloan, william Sloan, the unknown heirs of George Sloan, deceased, the unknown heirs of Annie Doe, deceased, the said Annie Doe having been Annie Sloan and having married some person he had sent for him and had actually given him the ring.

that the father had deceived him in the matter, but each was more inclined to suspect his brothers of bringing forward a false claim, supported by rings which they pretended to be the true one. But istrator of the estate of Mollie Osmer, deceased, even this they were very unwilling to be- as the defendants therein, the object and prayer

and exclaimed angrily: "Do I sit here in the seat of judgment to unravel all the owner thereof, having furnished the purchase riddles that foolish people may bring me? price thereof and having had possession thereof from the time of its purchase in the name of his wife. Mollie Osmer, and having maintained ring and who is the true head of the familis wife, Moine Osmer, and having maintained the same at his own expense and paid Mollie Osmer therefor. Plaintiff says that said Mollie Osmer therefor. Plaintiff says that said Mollie Osmer therefor. me that the true ring possesses the magic power of making its owner beloved. This must decide it, then, for the false rings can never have such power. Now, say which of you is most beloved by the othwhich of you is most beloved by the other tiff's money and upon the agreement that while er two? Speak. You are silent. Do the the title was taken in her name plaintiff should yourselves, so that each one loves himself that at or before her death she should convey best? Oh, then you are all deceived and the same to him, the consideration of such deceivers too! Doubtless the true ring is agreement between them being the purchase Maude—Do you know that people are lost, and your father has bestowed upon each of you a false ring.

deceivers too: Doubtess the true ring is money by him furnished, their natural love and affection, money paid to her and immediate and continued possession, management and im-

"So if you wait here to hear my sen-tiff avers that the said agreement was wholly tence you wait in vain, but if you seek my advice I will gladly give it you. My to a conveyance of the said property and to counsel is this: Return to your home and cease your strife. Each one has received denly that she was not able to make said cona ring from his father. Let each one be- veyance. the most beloved. Let him show a gentile most beloved. You are required to answer this said petition on or before the 2d day of July, 1909, ALFRED G. OSMER, of self, sympathy with others, truth, ward God. So will he who excels most in these virtues be the most beloved, and so will all see plainly who is the owner of the true ring."

The brothers returned to their home and followed the wise counsel of the judge. They vied with each other in e grown on a farm containing stock, as showing an amiable, unselfish temper until, by the constant practice of the virtues which the judge had recommended to them, they grew so unselfish that the dispute about the ring was forgotten, and they passed their lives together in harmony and happiness, and so the deceit of their weak and unprincipled fason why a plot of it should not be seeded | ther had a better result than it deserved.

Not the Same Shakiness. James doesn't go to church often, but his mamma took him there last Sunday.

Now she wishes she hadn't. He sat demurely enough until the tenor, who indulged in a dreadfully inexcusable tremolo, had finished his solo. Then he spoke up.

"Mamma," he asked in a shrill whisper, "what makes the man's voice shake so?" "Hush, dear," said mamma. "I don't "But, mamma," the little scamp per-

sisted in a still louder whisper, "you know when papa's voice shook the other night you said it was beer!" And that's why Jamie's church privi-
