NEWS OF THE WEEK

One of the noteworthy business transactions in this city this week was the purchase of the entire stock of clothing and business of the Globe Clothing Co. By the Armstrong Clothing Co. The stock was bought at a remarkably low figure and will be sold by the Arm- Fifth avenue and succeeded in riding strong Company at bargain figures. the length of the route and return Read the advertisement on page 7.

The latest news from China is of the most distracting sort. There are so complished this he explained to be as many contradictions and surmises that follows: it is impossible to form an opinion of the situation. That there is a general up blocks when it stopped to pick up a heaval there is no doubt. Some missionaries have been murdered, the secre- it, whereupon Sothern, who could not tary of the Japanese legation has been killed, part of the British legation has been burned, all of the foreign legations have barricaded themselves in the lega the stage, wave his arms about and tion buildings, all of the foreign nations grin and chatter in idiotic and expanhave landed more or less troops includ- sive manner. The women decided ing the United States, large fleets of war that they would have none of that ships have assembled including those particular stage, as they did not confrom Japan, Germany, Great Britain, Russis and the United States. That much can be relied upon. What has caused all this uproar is more uncertain than ever. It is the opinion of the In- senger this maneuver was successfuldependent that it is a sort of a political ly repeated until the stage had returnmove on the part of the reformers in ed to the original point where Sothern China who would begin a movement had boarded it, when, luckily for the there for a reformation such as occurred receipts of the company, an imporin Japan some years ago when the old system was overthrown and modern institutions introduced.

The thing that interests Americans is what part in this general upheaval Me-Kipley will take. Will be involve this country in another Asiatic war in the interests of "trade?" He has assembled of marine soldiers. Reinforcements of street, Lincoln, Nebraska, both ships and men are being hurried . forward. What does it all mean? We

must remember that while Congress is Lincoln, Neb., June 13.-The turn in not in session, McKinley is as much an wheat has come at last. Throughout all autocrat as the Czar of Russia. Many the big booms in the stock, pork, cotton men have the gravest fears. It may be and corn markets, the wheat market has that that Angio American investment been distressingly stagnant, and droopcompany is behind it all. It is known ing under the ample supplies and ample hat the company is capitalized for crop prospects. But the northwest situmany millions of dollars for the purpose ation has put a different face on the of exploiting China. All the acts and matter. Traders have been waiting for all the wars of this administration have weeks to hear of rain in the northwest, been in the interest of "trade." Is more and while occasional showers have taken American blood to be spilled for the the edge off of the anxiety over the crop, it only caused the speculative trade to ake of commercialism? hold off a little longer. But when the

But just give me a line to the principal merchants in the town, saying that you'd like me to have a few tons of their stuff, and that'll do." "You wish me write. I will write.

Now we will wash hands, and there is banquet." And so it came to pass that some 24

hours later Captain Kettle returned to the Parakeet, sun scorched and flushed with success, and relieved the anxious Cash Market June 13-Wheat-No. 2, Murray from his watch. The mate was naturally curious to know what had happened ashore.

"Let me get a glass of Christian beer to wash all their sticky nastiness from my neck, and I'll tell you," said Kettle, and he did with fine detail and circumstance.

"Well, Wenlock's got his heiress, anyway," said Murray, with a sigh, when the tale was over. "I suppose we may as well get under way now, sir?"

"Not much," said Kettle jubilantly. "Why, man, I've squeezed every ton of cargo they have in the place and She turned her head and gave curt stuck them for freights in a way that orders in Arabic. With marvelous read- would surprise you. They daren't say no to any rate. Oh, I tell you that emir woman has a wonderful power over them. We'll open a market here and keep it all to ourselves. It'll be as good as a back yard gold mine. The bulk isn't much, of course, but you should see the freight. And mark you," said Kettle, hitting the table, "that or more will be here waiting for me every time I come, and no other skipper need apply."

"But will Wenlock be as civil and limp are also cattle being pastured on differnext time you call, sir?"

Captain Kettle winked pleasantly and put a £50 note in his lockup drawer. "That's all right, my lad. No fear of Master Wenlock. If you'd seen the good lady, his wife, you'd know why. That's the man that went hunting an heiress, Mr. Murray, and, by
