GOOD CROP TO RAISE

The Demand for White Beans is Great and They Are Sure to Bring Good Prices This Year.

Tocae who are in close touch with the market are expecting white beans to con mand high prices for a number of tears to come. Stocks on hand are very much depleted, owing to a great falking off in production during recent tears and an increased demand. For example the Michigan crop for 1891 was 2.049 135 Hushels, that of 1897 was 765 175 Simbless, Than of 1498 554 564 hushels and the 1865 ecop was ut in 762. ore bushels. In California and New York, two states in would large aleas. of beans are grown, less than one in'? of full crops were notabled last teat while in Canada and Europe ther op is ight. With very light visids the scottd governments have been justing trend heavily for the arms and nave it is thus apparent that the supply bursts be quite limited and several good erops. noust be secured before there is a nor-

Carrick and Murphy.

Conferring the "freedom of the playnouse" on playwrights and men of letters was common in Garrick's day, and without doubt the good natured manager was often pestered for the same. favor by persons who had no such cialm. It was evidently Garrick's custom to give tickets of admission, per- you? manent orders, to those whom he desired to honor. It is recorded that the Irish writer. Murphy, appoyed at what he thought ill treatment or neglect, returned the ticket with the words, "As. I do not foresee any further occasion for this obliging passport, I am not willing to trespass too long upon your part.

Garrick's answer was such as to re- that? Laue playhouse, you certainly will do are too much for me. person freezing. This is not a as you please. But without the ticket.
