# Uncle Sam's Mail Service

requires physical and mental ability of a high degree to withstand its hard labors. The high tension to which the nervous system is constantly subjected, has a depressing effect, and soon headache, backsche, neuralgia, rheumatism, sciatica, etc., develop in severe form. Such was the case of Mail Carrier S. F. Sweinhart, of Huntsville, Ala., he says:

"An attack of pneumonia left me with muscular rheumatism, headache, and pains that seemed to be all over I was scarcely able to move for about a month when I decided to give

Dr. Pain Pills and Nerve Plasters a trial. In three days I was again on my route and in two weeks I was free from pain and gsining in flesh and strength."

Plot to Massacre. A plot to massacre the American garrison at Moncada, province of Tarlac, island of Luzon, has been revealed by the wife of one of the conspirators. Several of the town officials are implicated in the murderous scheme. The woman who revealed the plot had a detective beneath the house in which the leaders of the conspiracy were meetthe United States through Canada. ing. Arrests followed and many incriminating papers were seized. The plan was to set fire after dark to a house close to the barracks and in

> extinguishing the flames 150 conspirators, armed with bolos, were to rush

on the guard, capture their arms and proceed to massacre the soldiers. Fight at the Tomb of Christ. The Church of the Holy Sepulcher, surmounting Christ's tomb at Jerusalem, as traditionally located, was the scene of a sanguinary affray, between Franciscans and Greeks, during which there were a number of casualties on these certificates shall be entitled to both sides. The dispute arose on the question as

to which community had the right to sweep the church. Troops had been Links 3 posted in the vicinity for several days previous to the outbreak, in order to prevent the anticipated collision, but they were suddenly outnumbered and overpowered by the contending parties.

# DENIED BEING GUILTY

Execution Made a Horror by Breaking of First Rope Used.

Louis Council, colored, convicted of criminal assault on a white woman, and who was respited three times by Governor Aycock of North Carolina, was hanged at Fayetteville. At the allens coming through Canada destined instance of a Catholic priest Council held up a crucifix on the scaffold and which goes into effect immediately swore that he was innocent. Then the priest stated that he believed the negro was not guilty of the crime charged. When the trap was sprung the rope broke, and a second time the noose had to be adjusted. The negro actually stood upright on the trap during the second ordeal. He was absolutely cool. No blame is attached to the sheriff for the breaking of the

rope. He considered it of extra

strength. It had been used to hang a

boat, with no provisions, and with the

The above illustration is photographed direct from our No. 4 Dr. Horne's New Improved, Best and Most Powerful S20 Electric Belt, (Suspensory Attachment for male removed). This belt has a battery consisting of 19 to 23 cells, according to the waist measure of the person wearing it, each one of which is a battery in itself, and six large discs or electrodes which conduct the electric current into the body. The webbing and material used in the manufacture of this belt are of the best. The battery is the finest most durable, most expensive and most powerful made, and we challenge the combined efforts of all other Electric Belt companies to produce its equalat any price. It is the only appliance used and prescribed by physicians. We will send Belt to your nearest express office, all charges prepaid, and allow you a

ment before paying for same. If the belt meets with your approval, and you think it is all we represent it to be, pay the express agent our special advertising price, Ten Dollars (\$10.00), and take it; otherwise it will be returned at our expense. You certainly could not ask a fairer offer than this, and it certainly goes to show that we have every confidence in our Belt in making such an offer. We trust that everyone who orders our Belt will do so in good faith, and that no one with dishonorable intentions will take advantage of our liberality when we place the belt in your hands at our own expense. We wish to impress upon your mind that the Belt we are offering you is our regular No. 4 Best \$20.00 Electric Belt with ry Attachment, It is the Best Electric Belt on Earth. It is the Only Belt Lised and Prescribed by Physicians. We challenge the combined efforts of all other electric belt companies to produce its equal at any price, show more genuine testimonials, more cures, and more satisfied patients than we can during the past twenty-four years.

WHAT OUR BELT WILL CURE We guarantee it to cure every known disease. # Fire in Wyoming Mine.

Fire is raging in the Beaver Creek mine near Sheridan, Wyo., and as the flames may follow the vein for a great distance, it is thought the mine will burn for years. The fire was started by incendiaries, who saturated several cars with oil, set them on fire and run them down the slope into the mine. The loss will be heavy.

## Academy Burned.

Jarvis Ball military academy at go address given by the consignor is that of a local medical college. Montelair, eight miles from Denver, the Episcopal church of the diocese of Colorado, was burned to the ground, causing a loss estimated at \$75,000. Seventy-five students roomed in the building, but all escaped without injury. The origin of the fire is unknown. The library of Canon Rogers, H. L. Jones, the original "Buffalo rector of the academy, one of the finest

# Interior Department Expenditures.

The estimates for the expenditures of the interior department during the fiscal year, beginning next July, aggregate \$170,000,000, of which \$142,-161,200 is asked for pensions and the administrative work of ths pension bulatter will bring in several bands of reau, 1,965,720 being for salaries of the bureau personnel and \$350,000 for the investigations by special examiners of pension cases.

## **READ WHAT THE EDITOR OF THIS PAPER SAYS:**

"The Dr. Horne Electric Belt and Truss Co., who are making such a liberal offer to the readers of our paper, is by no means a new concern. While they may be unknown to some of our readers, they are an old and reliable house, having manufactured Electric Belts and Appliances for over 24 years. You will see upon reading the advertisement, that they are offering for a limited time a \$20.00 Belt for Half Price, \$10.00 for the purpose of introducing them into new localities. Any of our readers wishing an Electric Belt, cannot do better than order from this concern. The proposition they make is honest in every sense of the word, as any of our readers can, if they wish, have a Free Trial Treatment before paying for the Belt. They do this without asking one cent in advance, which is evidence that they have every confidence in their appliances."
