effects of the heat, and the first cold catarrhal trouble."--Horace G. Snover. snap of winter sows the seed of thousands of cases of chronic catarrh which in a large per cent. of cases will end fatally.

President Wm. Ubelaker Uses Peruna as a Safeguard Against Inclement Weather.

Wm. Ubelaker, President of the Lake View Lodge of Foresters, writes from 3327 North Clark St., Chicago, Ill., the following letter:

The Peruna Medicine Co., Columbus, O.: Gentlemen-For years past when I have been exposed to wet or inclement weather, my chest would hurt me and I would have serious indigestion, and I would be laid up for a day or two, causing inconvenience and pain.

One of my lodge friends advised me to try Peruna, as it had helped him, and I found that a bottle cured me.

If I feel badly now I at once take two or three doses, and I find it keeps me in fine health. Peruna is worthy of every one's confidence.-WM, UBELAKER.

It is only just ordinary good, common | culiar to women, have been wonderfully sense to provide against inclement helped and cured by Peruna."-Lavina weather. If you have the slightest cold, E.
