## Dry Goods, Shoes, Hardware, Crockery, Tinware, Groceries, Meats

50 lbs. \$1.00---BEST GRANULATED SUGAR, FIFTY POUNDS FOR ONE DOLLAR---50 lbs. \$1.00 Delivered to any railroad station in Colorado, Wyoming, South Dakota, Iowa, Kansas or Nebraska, by ordering one of the Special Combinations.

You can save at least 25 per cent by ordering your groceries of us. Read this list through. Every article warranted to give satisfaction. If you wish anything not quoted, write us for prices. Prices given on anything you want, delivered to any railroad station in the United States.

We sell better goods for the same money and the same goods for less money than any other house in Nebraska. We sell more goods than any three retail houses in Lincoln. People in Lincoln know that "what we say we do we do," and when we say satisfaction given in all cases or money refunded, we mean it.

It's every man for himself in this world. Your home merchant will say you ought to buy supplies in your own town even if he does not sell as low as we do. That is his side of the question. Will he do you a favor, except to take your money? He only looks after his interests—hadn't you better look after yours?

Economy—any of the following combinations Combinations packed securely and delivered to railroad station here. Remit by draft, express or money order, and the goods will be shipped same day order is received
