The cause of all the confusion about money, the reason why we have not been able to see how money is or acts as a measure of value, is to be found in the fact that we allow gold, by weight and not by tale, to be money, our only real money. This destroys the coinage laws, so far as they relate to gold, because gold coins are not dollars unless they weigh a certain amount of gold. George C. Eldridge Finds Something Which Many Consider to be Better Than Gold-His Statement

There is much talk in the town of Allegheny, Pa., over the discovery made by Mr. George C. Eldridge of that place. After a long search he has found something better than gold. In a recent interview he says:

"Yes, I have made what I consider to be an important discovery. To tell you about it I must start at the be-

"That was a number of years ago," he continued. "The nature of my work forced me to be very irregular with my meals and that, together with a general misuse of my stomach, brought on nervous dyspepsia. My trouble commenced with bloating constipation and this was accompanied with pain in the back and stomach. I suffered with shortness of breath and palpitation of the heart, sleeplessness and an absolutely miserable feelago I had an attack which confined me to my bed for three weeks and times without number after that I was obliged to give up. My kidneys also became affected and caused me considerable trouble "Four different doctors attempted to

cure me but they gave me only temporary relief. I became utterly discouraged. Then I tried Dr. Williams' Pink Pills for Pale People. Relief came in about a week and at the end of four months I was entirely well. "I can only say that I believe I owe my life to Dr. Williams' Pink Pills and can find no words to express my thanks for what they have done for me. Better than gold is but mild praise for them. Everybody who knows me remarks the wonderful change. I can

eat anything now, sleep like a child and do my work with ease. I do not need medicine any more although I always keep Dr. Williams' Pink Pills for Pale People on hand." Mr. Eldridge lives at No. 235 Carroll
