

PLENTY OF BARGAINING LEFT

Our most remarkable and successful January Clearing Sale has closed, but that does not mean a cessation of the really marvellous bargains we are offering. There are plenty of them left---somewhat broken in lots, to be sure, but still worth your careful attention. Right now, however, we are making a special discount on

Trunks, Grips and Bags.

Every Trunk, Grip and Bag in our stock---and the stock is something immense---is on sale right now at a discount of

Twenty-Five Per Cent.

Your attention is called to the display in our windows. Nothing like this fine selection of high grade goods has ever been offered at prices approaching the prices now offered you.

While the January Clearing Sale was remarkable in the amount of goods it moved, we still have an over-stock of winter garments that must be moved to make room for the largest Spring and Summer line of Clothing and Furnishings ever brought by one firm to Nebraska. Included in this overstock are many suits from the shops of the highest manufacturers in the country. They are the handiwork of the most skilled workers employed on the highest-grade woolens obtainable. The results are such as to appeal to men of taste who are also judges of wearing qualities.

Our Furnishings Departments

Are also offering rare bargains---such bargains as will make it profitable for the careful buyer to invest now, even to hold for another season. The advance Spring Styles are now coming to hand, and we call your especial attention to them. Nothing handsomer ever offered.

Work Garments A-Plenty

We call the attention of wage earners to our unusually complete lines of work clothes---overalls, sweaters, jackets, shirts, etc. The products of the best factories, and at prices that warrant your careful consideration. We handle the output of the best makers for this section of the country.
