

LIBERTY FLOUR

Made in Nebraska

Milled from Selected Nebraska Hard Wheat in a Modern Mill by Expert Millers. The Product of the Best Material Worked by the Greatest Experts.

The Test of Taste

The Test of Time

Liberty Flour makes more and better bread. The Test of the oven tells the tale, and by that test Liberty Flour should be judged. The growing number of users and the comment of older patrons are proofs that Liberty Flour is all that is claimed for it--and more.

The Wheat's Best by Every Test

All the wheat used in making Liberty Flour is selected by our own expert buyers at our own elevators, thus giving us the opportunity of getting the very best. None other is allowed in our mills. Every sack warranted.
