

# GOOD CLOTHES FOR ANY DAY.

English and American models in two-piece suits, quarter-lined, half-lined or without linings, in light weight woolens, wool crashes and flannels.

Blue Serge suits are a prominent feature with us---plain and self stripe; hard and soft weaves. Colors guaran---teed---warranted not to shrink.

For young men we have snappy, lively young styles which give that smart appearance which young men desire.
