

The Folsom Bakery

A. T. SEELEY, Proprietor

A First Class Cafe

The Folsom Bakery will occupy quarters in the new Finney Building on N street, between Thirteenth and Fourteenth. A first-class Cafe, such as Lincoln has long needed, will be opened and conducted on the highest plane. It will have no superior in the West, either in appointments or cuisine.

FINNEY BUILDING

Cakes and Confections

In addition to the Best Bread, we bake all kinds of Cakes and Confections. The high standard reached in the past will be more than maintained when we move into our new and handsome quarters in the Finney building. It will be the most sanitary bakery in the country.

For a Delightful Luncheon or Dinner

Remember the Folsom Bakery. In its new quarters it will be a handsome and popular resort. Watch for future announcements.
