

# For Men of Good Taste

---

---Men whose taste in colors and weaves is combined with buying judgment. To them we offer what our experience proves to be the rarest clothing bargains ever offered. This is not due alone to clothing value in all garments, but to those added qualities of good colors, new weaves, up-to-date styles and a comfort of fit which marks the ideal of tailoring art. All in all our season's offerings of

## Fall and Winter Clothes and Furnishings

are marked by all these qualities which appeal to men of taste in selection who have good buying judgment.

**From \$10.00 to \$40.00**

The price limit need not interfere with your selections. We have what will meet with your taste and requirements at the outlay you may elect to make. Whatever your decision as to price, you will get a bit more than full clothing value, and in up-to-dateness you will get the limit. See the beautiful shades of gray and brown, the soft roll collar, the coat of longish mode, trousers that fit yet have a cut of fullness, and a make that leaves nothing to be desired.
