mulative, not a Producing Power.

of as bearing interest; but this is a mis- duce by their labor. payable in one year with seven per cent. civilized nation, should live frugally, debt \$700. The \$10,000 must enable The income of interest legally fixed the borrower to have something else to and maintained upon money, governs use for the year, or certainly he would not only the rent of property, and the not borrow the money, and agree to dividends on stocks, but also the entire

But money is authorized and organized | which sustain it must necessarily be | lands in the pockets of cowards. by human laws, and human laws do not organize or create vitality; therefore money is of necessity a dead power, and has no vital energy to produce and has no vital energy to produce the first the semblance of truth. So if a pation fix an unjust standard of value there money and has always been an enemy to labor and the masses. It and has no vital energy to produce the recessity a dead power, and has no vital energy to produce the recession of the receis of t improved by labor, nor is it competent produce—should bear a low interest. tions gone by. in itself to supply any want of man, or to make any inprovement. It is dead in their hands, and they at once part such as materials that can be inproved, iah that he has set watchmen upon the that they have forgotten, but I have with it for something which is valuable.

the interest makes no visible improve- influence in the church than a poor menaces the freedom of the American Lincoln, Neb. ment on the money loaned.

vents, the full employment and adequate compensation of labor, but the criminal neglect af God's watchmen assailed. Destroy that and its upstart monopoly of money, and unjust rates of interest. All nations and all political particles profess to legislate for the protection of industry, but in reative, they have from time immemorial legislated to support exorbitant interest on money. And since the interest on money, And since the interest on money and interest on money and interest on money and interest on money and interest on money. This commoney and interest on money and interest on money. This commoney and interest on money and interest on monopoly of money, and unjust rates of interest. All nations and all politimembers die in their sins of robbing loon.

The Law of Interest on Money an Accu- least altered the laws of production. Production has always been made by

Watchman, What of the Night. The Lord tells us by his prophet Isa-

The Lord tells us by his prophet Isas with its rosmething which is valuable, such as materials that can be improved or houses that will sholter themselved that has he as et watchmen upon the other can raise crops, or goods, wares and merchandise which they can are commanded under the power of more, since the property they may produce of more, since the property they must produce or gain the means to pay the interest. A set of the means to pay the steep themselved the means to pay the interest as one hundred and forty bushels of corn, and sell it at fifty cents a bushel to pay the yearly interest of seventy dollars. It is then the productiveness of E/s farm coupled and forty which they can also one of the pay the yearly interest of seventy dollars. It is then the productiveness of E/s farm coupled and forty bushels of corn, and sell it at fifty cents a bushel to pay the yearly interest of seventy dollars. It is then the productiveness of E/s farm coupled and forty bushels of corn, and sell it at fifty cents a bushel to pay the yearly interest of seventy dollars. It is then the productiveness of E/s farm coupled and forty bushels of corn, and sell it at fifty cents a bushel to pay the yearly interest of seventy dollars. It is then the productiveness of E/s farm coupled and forty bushels of corn, and sell it at fifty cents a bushel to pay the yearly interest of seventy dollars. It is then the productiveness of E/s farm coupled the victor of the pay the yearly interest of seventy dollars and the productiveness of E/s farm coupled the victor of the pay the yearly interest of seventy dollars and the productiveness of E/s farm coupled the victor of the productiveness of E/s farm coupled the victor of the coupled that they have a many coupled the victor of the coupled that they have a many coupled the victor of the coupled that they have a many coupled the victor of the coupled that they have a many coupled that they have a many coupled that the productive of the productive of the productive of the productive of the pr possessed vital instead of legal power, and could hire land, buy the seed, plant, cultivate, gather, shell and sell the corn, it would then actually produce for A. what the money now legally compels F. to produce for him. But as no human law can make the dollar a naturally productive thing, it is impossible to gain.

men are blind, dumb dogs that cannot understand. How truly do the heads of our nation "judge for reward; the priests thereof teach for hire, and the prophets divine for money; but there cometh a day when these things shall pass away. That time the Knights of Labor, Alliance and Nationalists are striving to the control of the contr productive thing, it is impossible to gain ance and Nationalists are striving to wealth by finance, unless the labor of hasten when our "swords shall be

others produces what is gained by the beaten into reaping hooks and every distinction. He is the representative of man shall sit under his own vine and no new idea. He does not come to us Money, then, earns for its owner by an accumulative power; by a power to But what are the watchmen doing? are in a line that was made memorable by their fruits we are to know them by a natural power of growth, like that contained in the germ of wheat or grain.

Where this power to accumulate by interest is made greater and more rapid than the natural power of production by labor, this tion of the people cried. "Let us leave law of interest becomes a most powerful engine of evil. It gathers into the hands of a few capitalists the productions of labor, and often deprives the producers of the necessaries of life.

All nations have considered money to be wealth, because it possesses this power to accumulate; but whether made of gold or of paper, it really contains a very small amount of actual wealth.

The law makes money the legal equiva
The law makes money the law the destitus man by Bonaparte the less the strong man merely, the past the strength of son unlikes. He is the strong man merely, the past the strength of son unlikes. He is the strong man merely, the past the gast cust leads the strong man merely. The less the strong man merely. The less the strong man merely, the past the gast cust and by Bonaparte the stream and by Bonapar gather things already produced, and not By their fruits we are to know them by Nero and Caligula, and by Bona-The law makes money the legal equiva- their heads rests the guilt of the nation's thinks there is something in it for himlent for all property, and gives it the sin. In this regard did they live up to power to accumulate by interest. They their light, did they dare tell the whole He is such no longer. VAN WYCK DENIES.

Van W. the traitor denies that he labor upon the soil, and by mechanics and Mr. Boyd met the committeeman FROM LABORAND CAPITAL. BY EDWARD power is a mere human contrivance, by from Lincoln in Omaha, and proposed Money loaned is universally spoken the few monopolize what the many pro-The name of the committeemsn referred taken idea. It is the borrower's obligation, and not the lender's money, that borrowers have the use of money for the time that they hire it, just as a form for the comforts and conveniences of that borrowers have the use of money for the time that they hire it, just as a form for the comforts and conveniences of the name of the committeems referred to is F. C. Leighton. As he told the story in the presence of several gentlement here it will be difficult to show with the comforts and conveniences of the name of the committeems referred to is F. C. Leighton. As he told the story in the presence of several gentlement here it will be difficult to show with the comforts and conveniences of the name of the committeems referred to is F. C. Leighton. As he told the story in the presence of several gentlement here it will be difficult to show with the comforts and conveniences of the name of the committeems referred to is F. C. Leighton. As he told the story in the presence of several gentlement here it will be difficult to show that Burrows invented it. Of course that Burrows invented it. Of course that they have the story in the presence of several gentlement here it will be difficult to show the property, and also furnish themselves with the comforts and conveniences of the committeems referred to it is F. C. Leighton. As he told the story in the presence of several gentlement here it will be difficult to show that they have the property and the pro tenant has the use of a farm for the time he rents it. This also is a mistaken idea, for the farm is usable in the tenant's hands, but money is not usable in the tenant's hands, but money is not usable in the tenant's hands. It is not usable in the tenant's hands, but money is not usable in the tenant's hands, but money is not usable in the tenant's hands, but money is not usable in the tenant's hands, but money is not usable in the tenant's hands, but money is not usable in the tenant's hands, but money is not usable in the tenant's hands, but money is not usable in the tenant's hands, but money is not usable in the tenant's hands, but money is not usable in the tenant's hands, but money is not usable in the tenant's hands, but money is not usable in the tenant's hands, but money is not usable in the tenant's hands, but money is not usable in the tenant's hands, but money is not usable in the tenant's hands, but money is not usable in the tenant's hands, but money is not usable in the tenant's hands, but money is not usable in the tenant's hands, but money is not usable in the tenant's hands. the borrower's hands. If a man borrow main over and above the support of the not believe sooner than he. Besides, a \$10,000, and give to the lender his note producers. If a few rich men, in any vile circular, dated at Lincoln, and worded so as to give it the appearance interest, in one year he will owe to the lender the principal and \$700 interest. In the course of a few generations they of coming from independent sources, Now what does he have to use during would reduce to poverty nearly every advising independents to support Boyd the year out of which he is to gain the other individual in the country. Coninstead of Root, appeared at Lincoln interest? It certainly cannot be the sequently, under present monetary laws, 810,000; for if he keep the money in his own pocket, there can be no increase of quent inefficiency and imbecility of their throughout the district. The circular quantity and at the end of the year, he will not have enough by \$700 to pay the ducers. The second evil is necessary debt. But the borrower's obligation in the length pocket has increased the the length pocket has increased the length pocket length pocke of all the parties concerned in it will not be die due time.

Wants Cheap Money.

pay the interest. As soon as he has the money in his possession, he either pays cause the interest on money is the soldier give his views in a few words on a debt previously contracted, or buys standard. This income is a yearly tax the political issues? The republicans standard. This income is a yearly tax levied upon producers, which at the present rates is enormous and oppressive. Laws may be made to prevent, and has been disappointed in the sale of his goods, and owes \$10,000 that has been dependent of property, to compel banks to divide yearly or half-yearly goods for theyear. It gives him a year's time to sell these goods, and turn them into money to pay the debt. Thus the so-called interest on money is the rent that he pays for the use of the goods for the year; it is not paid for the use of the money and the interest the word of the money and the interest the word at the it is reduced and maintained at money. The money and the interest the word of the money and the interest the word and maintained at money. The money and the interest the word of the money and the interest the word and maintained at money. The money and the interest the word of the money and the interest the word and maintained at money. The money and the interest the word of the money and the interest the word of the money and the interest the word of the word money. The money and the interest the just rate, the laboring classes will ment are concerned. It is forced to the receive the chief part of their own provalue is in the goods, or land, and the labor that makes the land productive. The money is always dead, and strictly speaking, people never pay a fraction of interest for its use. The practical effect of the percentage called interest, is simply to determine the per centage rent of property.

A tree bears fruit, because the fruit from the vitality of the tree difficult to support it, for all the laws; but if it be made unjust, it will be any port of the tree difficult to support it, for all the laws; but if it be made unjust, it will be laws; but if it be made unjust, it will be laws; but if it be made unjust, it will be laws; but if it be made unjust, it will be laws; but if it be made unjust, it will be laws; but if it be made unjust, it will be laws; but if it be made unjust, it will be laws; but if it be made unjust, it will be laws; but if it be made unjust, it will be laws; but if it be made unjust, it will be laws; but if it be made unjust, it will be laws; but if it be made unjust, it will be laws; but if it be made unjust, it will be laws; but if it be made unjust, it will be laws; but if it be made unjust, it will be laws; but if it be made unjust, it will be laws; but if it be made unjust, it will be laws; but if it be made unjust, it will be laws; but if it be made unjust, it will be laws.

The currency is the national in fact it is only a blind to the real problem. What was unfilled to the real problem. What is a sufficient supply of the kind that Thaddeus Stevens intended to give us. Money with no intrinsic value.—

Money suited to civilization and the age in which we live. American money for American people. That gold is a coward was proven in the law war. On the law was proven in the law war. On the law was proven in the law war. On the law was proven in the law war. On the law was proven in the law war. On the law was proven in the law war. On the law was proven in the law was proven in the law was proven in the law war. On the law was proven in the law was proven in the law was proven in the l grows out from the vitality of the tree. difficult to support it, for all the laws first approach of danger it fled to foreign
