

THE TWO BACKS. The Aching Back. In the cornfield all day, I've delved an' dug, an' hood away, My back does ache...

WHAT SHALL THE HARVEST BE? Shall It Be Slavery or Shall It Be Peace, Prosperity and Happiness. Wealth in its truest sense is the bounty of nature which have been converted into forms of utility by productive labor...

THE FARM AND HOME. GIVE YOUR GARDEN A LIBERAL MANURING. Strawberry Plant Almost Equal to Clover as a Renovator...

THE LATE ELECTION. Thoughtful Words on a Serious Subject - The People's Weak. Though a draw game, the late election affords evidence of popular unrest and unsettledness...

FARMERS' RIGHTS. They Are Acting on Principle and Know What They Are About. Thinking that the farmers are too busy, are too ignorant to concern themselves about government, our lawmakers have not concerned themselves very much about agricultural interests...

THE FIFTY-SECOND CONGRESS. Congress is now in session. It can meet the demands of the people or fulfill the requirements of the exploiters. Which will it do? The Democratic party has control of the house and the Republicans of the senate...

THE GOLD-BASED RACKET. The Democrats did not notice the signs which indicated that every man who had saved up a dollar by hard work, care and economy, or building loan associations, and put it in a savings bank was going to vote against free coinage...

THE FARM AND HOME. Manure the Garden. This must absolutely be done and it must be done liberally. Sixteen years' experience in market gardening has taught us that when this was done we might expect paying crops...

THE LATE ELECTION. Two ways are open to the parties: They may follow the incline to their destruction, or they may attempt the more difficult ascent with the new ideas. Most parties have chosen the former...

FARMERS' RIGHTS. There are certain rights which calm fair judgment will accord to the farmer, even though it may be the judgement of some one who is not pleased with all that the farmer does. The farmer has been drifting toward independent political action more and more...

THE FIFTY-SECOND CONGRESS. Keeping the soil loose and mellow enables it to absorb and store up much ammonia from the atmosphere, and absorb and hold the nitrogen brought down by the summer thundershowers...

THE GOLD-BASED RACKET. Now Philadelphia is peculiarly a city of building associations and savings banks, and it was by just such a beating of gongs and yelling of 'honorable money' that the wily knaves who were running the gold basis racket of the 70s managed their infamous round-up...

THE LATE ELECTION. The Arkansas Farmer: Although there is a circulating medium of \$61 per capita in France, and the ruling rate of interest is 3 per cent, there is less complaint of stringency in monetary affairs. A proposition is before the legislative body of the country for the government to loan money to farmers on their lands at 2 per cent interest...

THE GOLD-BASED RACKET. Our masters—our plunderers—our murderers have such a battue about every ten years on a grand scale; meanwhile killing all the game they can piecemeal.—Chicago Sentinel.

THE GOLD-BASED RACKET. Ex-Congressman Hanback is reported as saying in a recent speech, that had he the power, he would stop the pension of every soldier who has formerly been a Republican and recently voted the People's party ticket. If this is true it would seem that pensions are regarded as rewards for services rendered in the army and navy of the United States. Will Mr. Hanback rise and explain?—Topeka Advocate.

THE GOLD-BASED RACKET. This is the demand which is being made by intelligent labor to-day, and this demand is directly in the line of human progress. If this demand is not conceded, our boasted civilization will be a failure. It is not enough that a few possess great wealth and are able to gratify every taste that belongs to the highest refinement of the age...
