JAQUES COEUR (24039) 16032. DARNLEY BOY 7534 4864.

Experience of County Officers With the Free Pass.
Rushville, March 18, '92.
EDITOR FARMERS' ALLIANCE:—Some time ago I noticed several articles in your paper on the free pass business. I will here give you a brief description of my experience of the free pass, and why it is given to county officers.

"DARNLEY BOY" (7634) 4864.
Brown, foaled 1888, bred by Jas. Scott, Scotland, imported 1889 by Frank Iams, St. Paul, Neb. Sired by the famous show horse "Tullock" (1852), dam the royal winner "Zenet" (7810) the greatest show Clyde mare in Scotland; winner in 1890 of 1st at Laramie and also the "Challenge Cup," 1st at Dundee, 1st at Aberdeen and silver medal, and defeated the great \$2,800 Darnley filly; "Zenet" (7810) is by the great and only noted "Darnley" (223)—and "Darnley Boy" has a right to wear the blue ribbons, has never been defeated in the show rings and won the gold medal at Aberdeen at 1-year-old, 1st at Nebraska state fair of 1890 and 1891. He is a grand, big, flashy, blocky draft horse that is a credit to Nebraska or any other state. He is a good one from end to end.

A Representative Nebraska Firm.
On our last trip to Omaha by request of an old friend we paid a visit to the store of Hayden Bros. We had been there before on different occasions, but never had been so impressed with the magnitude of this increasing business as at this present time. It is truly a regular Bee Hive. This establishment is a great benefit to the people of Nebraska. Hayden Bros. believe in patronizing home industry, signs of which you can see all over their store.

WANTED—Blacksmith:—Shop and tools furnished if desired. For particulars address, JOHN ROSS, Rosemont, Neb.
Pure Bred Poultry.
Bro. W. J. Hickox of Alma advertises in this issue the celebrated Brown Leghorn. He is an extensive and successful breeder and can be relied on for straight dealing.

How mark results. That county officer had had a free pass for four years. But within 48 hours after their agent was notified that this county officer had his pass cancelled, with the remark that he should have left the tax alone.
Yours truly, M. F. WASSUND.

English Domination in Egypt.
Of the Egypt... with an empty English dome... and having Cairo says in words that might almost apply to Ireland: "Oh, the Egyptian pays for everything. The fellah, in spite of the fact that he lives in the richest country under heaven, with four harvests a year, is kept always in poverty by the loads of taxation he carries. He even pays a tax of 50 cents a year on the palm tree, which gives him food and shelter. His money does not come back to him in another shape like the American taxpayer's, but it goes to the high-salaried foreign financiers, who collect and disburse it; to the foreign speculator who makes a fool ball of his country's misfortunes; to the small army of redcoats who stand guard over everything and everybody English, and are billeted on the populace; to the foreign court which dispenses what he is often compelled to consider injustice."

A Slip of the Tongue.
"The Alliance Tribune wishes that all the gold in the world was at the bottom of the sea. A very foolish wish. The world's money supply is none too large as it is, and the withdrawal of the gold would largely reduce it. We Kansas people want more money, not less.—Emporia Republic.

For the Germans.
The first and only work ever written on currency reform in German is "Gold" by Robert Schilling. It is a translation and enlargement of his "Silver question" and sure to make converts. The retail price is 25 cents, but it will be furnished to reform organizations and agents at a greatly reduced rate. A sample copy will be sent for 15 cents. Address, ALLIANCE PUB. CO., Lincoln, Neb.

Complete returns have not yet been received by Mr. Porter's bureau, but those already in indicate pretty clearly what the whole will show.—that America is rapidly becoming a nation of landlords and tenants.
The figures of two respective districts have been officially given out. One consists of a group of ten neighboring counties in Kansas, a little west of Topeka. The other embraces ten counties in the southwestern part of Ohio and includes Cincinnati and the manufacturing centers of the Miami valley. The two districts are believed fairly representative of their respective states.

William Winegar, a young man with Mormonistic tendencies, ran away from Lincoln with Laura Mercham and Lillie and Minnie Lobough, girls of 15 and 16. He also stole a neighbor's horse, bought a practice schooner, and when overtaken was enjoying his new position as the head of a harem, ten miles from the nearest town. When brought back the Lobough girls' father tried to shoot Winegar, but was prevented by the officers.

The Eye and Ear.
Are two most delicate and complicated organs; without the eye we could not guide our footsteps nor observe the beauties of nature; without the ear we could not hear the voices of our friends nor enjoy the sweet sounds of music. No one is so helpless as the blind and more deserving of pity than the deaf. Many persons lose sight or hearing by neglect, which timely aid might prevent. Among the specialists who treat these organs none have been more successful than Dr. Dennis whose office is over the First National Bank in Lincoln. Mr. C. M. Marshall who has been in the employ of the big furniture dealers, Gruetter & Co. was deaf in one ear from which was a constant offensive discharge for twenty-five years. The Dr. cured it entirely in one month. Mr. Willis Short, Clerk in the Mo. Pacific R. R. office, Mr. George Carter, commission merchant, Mrs. Edward Grouse, wife of a steam fitter with Pomarine & Cooper, Mrs. Chas. Hook, fireman on B. & M., Mr. T. E. Slatterly, guard at the penitentiary, and dozens of other well known Lincoln citizens have been cured after other specialists had failed. Dr. Dennis is a graduate of Rush Medical College, Chicago, the Post Graduate Medical College, N. Y. City and the Polyclinic Hospital, N. Y. City.

A New Song Book.
We have received a sample copy of "Songs of Industry," words and music by Charles S. Howe of Michigan. It is a choice collection of songs for farmers' alliance and industrial and labor reform organizations, temperance meetings and the home. Alliances and others getting up entertainments will find it valuable as the music is new and the words well adapted to the inspiration so desirable in songs of this character. The book can be ordered from this office or of the author, Charles S. Howe, South Allen, Mich. Price 25 cents per copy, or 30 cents a copy by the dozen.
