People's Independent Convention.
The independent voters of Pierce county, Nebraska, are requested to meet in mass convention at Foster, June 18, 1892, to select delegates to attend the different conventions to be held prior to the general election in November, 1892. It is earnestly requested that every voter who favors the platform and address of the independent party at the St. Louis conference, Feb. 24, 1892, be present.

To the independent voters of Pierce county, Nebraska: The county Central Committee of Pierce county met and arranged to have the precinct primary meetings June 11, county convention June 18.
As there seems to be some misunderstanding about who should call the convention, and as time is too short to make other arrangements, I take this method of calling you together. I also believe it to be the best and only way to get a fair and full expression from the people.
WM. T. KIRK,
Chairman County Central Com.
