Nebraska Farmers' Alliance. J. H. POWERS, President, Cornhill. W. A. POYNTER, Vice-Pres., Albion. J. M. THOMPSON, State Sec'y, Lincoln. S. C. FAIRCHILD, Lecturer, Oakdale. B. F. ALLEN, Chairman, Ex. Com., Wabasha.

Action Demanded. Glen Rock Alliance, No. 409. May 20th, 1893.

Whereas, according to holy writ, "a house divided against itself can not stand;"

Whereas, a number of sub-alliances in Nemaha county have passed resolutions forbidding sending in any monies to our present state secretary who is suspected of not being true to the reform movement; and

Whereas, our state executive committee can not or do not take any action in the matter; therefore be it

Resolved, That, as the reform movement is greater than any man or set of men, it is to the best interest of the order that all true and loyal sub-alliances send their delegates to Grand Island as soon as possible to re-organize the state F. A. & I. U., and that the state organization be purged of all unworthy and selfish men.

S. M. HAYNES, J. C. DEUSER, Secretary. President. A. B. FLACK, C. L. COOK, Committee.

This is no rebel yell, but our honest opinion. Resolutions are good as far as they go, but what we need now is prompt action. We take no Burrows in ours. If some action is not taken we will drop the alliance and go en masse into the Industrial Legion. Governor Powers is honest and capable, but being a man of strong attachments to former associates, he seems to be completely captivated with Burrows. We give notice now that we take no Burrows, Tillman, Terrell, Thompson, Burrows nor Holden in ours. Those that would lead the reform movement must lead it to certain victory, or be run over by the industrial car.

COMMITTEE. Picnic and Rally. Oak Valley Alliance and Industrial Union No. 1354 will hold a picnic of July 4th, 1893, at the residence of Wm. Aukerman adjoining county farm of the north. W. V. Allen, U. S. senator, has been invited to be present as orator of the day. Very comprehensive arrangements are being made for a great day. By order of Committee.

Mid-Summer Rallies. The state central committee have made arrangements for Senator Allen and other prominent speakers to speak at the following places: Franklin, 16. Alma, 17. Indianola, 19. Holdrege, 20. Hastings, 21. Clay Center, 22. Nelson, 23. Lincoln, 24. All of the meetings will be held at 2 o'clock p. m. Local committees will make necessary arrangements. G. W. BLAKE, C. H. PIRTLE, Chairman. Secretary.

Populist Governor Endorsed. Gov Pennoyer's snub to Cleveland in regard to enforcing the Geary law has been very severely criticised in the east. But such criticism usually proceeded from ignorance of the real facts in the case. The resolutions given below will show how they regard the matter on the coast. They were adopted by a monster mass meeting held recently at Portland, Ore. Resolved, That the people's party in convention assembled, tender of admiration and respect to Governor Pennoyer for his very apt rebuke to the Gresham-Cleveland combination. Resolved, That workmen as a class are merciful and lenient toward the unfortunate and unskilled, even in statesmanship, and we therefore tender our cordials to Gresham, Cleveland and the six Chinese Companies.

A HOUSING RALLY.

Sheridan County Populists Endorse Judge Maxwell. Saturday, June 10, the streets of our town were crowded by the citizens of Sheridan county, who came to attend a public reception given in honor of our representative and senator.

At 1 o'clock p. m., six or seven hundred assembled under the pavilion which had been erected for the occasion and were addressed by Representative Woods and Senator Stewart. In the evening the opera house was filled and speeches were made by A. E. Sheldon editor of the Chadron Signal and Hon. H. G. Stewart. The glee club furnished the music for the occasion. At the close of Senator Stewart's speech W. H. Westover offered the following resolutions which were adopted unanimously.

Whereas, Chief Justice Maxwell, in his dissenting opinion in the recent impeachment cases against the state Board of Public Lands and Buildings, laid aside party prejudice, broke loose from party ties and made his findings conform to what the great reading public of this state knows the facts and evidence warranted and fully justified, therefore be it

Resolved, By the members of the people's independent party in mass meeting assembled that we heartily commend his independent action and decision and hereby express our confidence in his honesty of purpose and judicial integrity.

Our cause in Sheridan county is gaining strength every day. At the present time all of our county officers are independents except sheriff, county clerk and one commissioner, and no doubt these three will be replaced by independents when their term of office expires.

To Organized Labor.

As the Nebraska State Labor Congress will meet at Lincoln on Sunday, July 2, all organizations which have not yet taken the necessary steps to be eligible to representation should do so at once by notifying Leo L. Uim, recording and corresponding secretary, 405 William street, Omaha, Neb. Per capita tax for the first quarter is due this month and must be paid on or before July 2. The objects of the Nebraska State Congress are:

- 1. The encouragement and formation of local and central labor organizations in every city and town in the state.
2. To assist in establishing national labor organizations.
3. To aid and encourage the labor press of our state, also to establish an organ of the State Congress as soon as it may be deemed advisable.
4. To further the interests of labor in the state by using all honorable means to secure the passage of laws which will aid the cause of the common people.
5. To band together the laboring people in one grand organization that they may be better prepared to assist one another in the hour of need.

The basis of representation is as follows: Each labor organization in the state is entitled to one delegate; each central body to three delegates.

It is of the utmost importance that the meeting at Lincoln next month be a grand success, and it is hoped that all labor organizations in the state will send delegates.

A Great Pork Producer.

Here is one of the best recommendations for Steketee's Hog Cholera Cure yet. H. D. Fishburn, of Guide Rock, Neb., says: "G. G. Steketee: Please send five dollars' worth Steketee's Hog Cholera Cure. I find it a great pork-producer. What I have used of it gave good satisfaction." If the farmer wishes to increase his pork, he should feed Steketee's worm remedy once a week.

HOG CHOLERA CURE!

Never Fails. For years we experimented trying to find a safe, sure and cheap cure for the dreadful hog cholera. Three years since we perfected a remedy which never fails to prevent or cure it and have sold it to thousands of farmers south and west who highly recommend it. We want to introduce it everywhere and to do so we will send a large box to any address prepaid by express or mail for only \$1.00. This is sufficient to cure 25 hogs or prevent 40 to 50 taking it. If directions are followed we will positively pay \$50.00 for every case not prevented or cured with our "Champion Cholera Cure." If you would rather have \$1 than to save your hogs pay no attention to this; if you desire them cured send today. "C. C. C." cures nothing but Hog Cholera. NEW INDUSTRY MFG. CO. Branford, N. C.

HOT SPRINGS, SOUTH DAKOTA.

The Invalid's Mecca—The Tourist's Delight. INSURANCE DEPARTMENT.

J. Y. M. SWIGART, Secretary of the Nebraska Mutual Cyclone, Tornado and Wind Storm Insurance Company, EDITOR. All communications on Fire, Cyclone or Hail Insurance should be addressed to him at Lincoln, Nebraska.

STATE FIRE COMPANY.

We are receiving some encouragement in our effort to start a state fire company and many have said they would help the company when started but do not say what amount they will insure. Please say how much insurance you will take, providing the company suits you, and then when we get fifty thousand dollars listed we will send out articles of incorporation, bylaws and applications.

We are starting this company for the purpose of helping to start local companies. When any county or community has enough members in this state company to start a company of their own they can withdraw if they wish and form a company of their own.

The charges in this company will be nominal from the start. In fact it will cost nothing, and when you have enough gathered together in the state company and want to organize a county company notify the state secretary and I will notify the members of your county of the time and place of meeting, at which time you can take such action as you see fit. When you get your company under headway the secretary of the state company can be notified at what time to cancel your policies and you can make them take effect at the same time in your local company. We solicit correspondence from every community not covered by a local mutual fire company.

LOSSES. In our Lancaster County Fire Company we have had three small losses this spring by lightning, but our losses so far have been less than five dollars, still no one knows how soon there will be a larger loss, hence we urge every one to insure at their earliest convenience. We would ask the secretaries of other companies to report losses to this department.

CYCLONE. Our cyclone company is growing and we are receiving applications from different parts of the state. Our company is now over a year old, has about three hundred thousand dollars worth of property insured and has not had a loss. The most of the cyclone losses, if the readers will notice, occur in towns, and in as much as we cannot insure town property we are exempt from those losses, although occasionally a cyclone hits a farm building. This company being a strictly mutual and purely cyclone company, there will be no assessment until a loss occurs. There is some money in the treasury, we are out of debt and are not liable to incur debts beyond the amount we have in our treasury at any time. Our fees are nominal, being \$2.50 for the first five hundred and 10 cents for each additional hundred or fraction.

If we have no agent in your community please write us for applications and instructions.

HAIL. Applications are rolling into the office of the Nebraska Alliance Mutual Hail Association at a good rate. Some few have had their notes sent back owing to the fact that they were not signed by any one except themselves. We want these notes to be good notes, and when a man is a total stranger to us and has but his own name on the note we have no way of knowing whether the note is good or not. We had fourteen hundred members in last year's association, about two hundred of whom are delinquent today on what they agreed to pay. This year we want to pay exactly what we agree to pay to the loser, and in order to do so we must insist on having good notes.

The question is frequently asked as to when the insurance takes effect. The insurance of any member will take effect on the day we receive his application, providing we get the one hundred thousand acres, and the present indications are that we will get three hundred thousand acres judging from the number of letters received asking for applications and instructions. We have had one small loss in Phelps county but at this time we are not able to state the amount, next week we will give it.

A Rare Chance.

To a newspaper man who is seeking an opening, I can offer the best possible inducements. I am offering for sale a half of the whole interest in an independent newspaper, published in a strong independent county, in which the party has a clear majority over both the other parties, situated in a county seat town of 1,000 population, in a western county of Nebraska where the population has nearly doubled in the past year; the county officers are all independent and the paper is the official paper of the county, running all the county patronage. The office is well equipped in both newspaper and job departments, and has a good run of job work. Has Washington hand press, Gordon jobber, 200 pounds brevier type, 50 pounds nonpareil and 50 pounds of long primer, lots of job and "ad" type. Paper has paid \$40 per month net after paying foreman, one type setter and all running expenses. Office cost \$500 cash, but will sell for \$600 and give the best of reasons for selling.
