The League of the Sacred Heart. is the proper name of the apostleship of

prayer as an association. It is distinct in end, means and organization, from the confraternity.

Its associates league together in certain easy but strong devotions to the Sacred Heart of Jesus, for obtaining His and their own intentions, thus practising an apostleship of prayer.

It numbers 15,000 associates in all parts of the world.

Its motto is Thy Kingdom Come. Its exterior sign is the badge.

Its devotions are the three degrees.

1st. At the morning prayers to consecrate the day, its prayers, works, and morning offering is the one duty of all associates.

Some day, not so far in the near future, we are going to wake up and find this an issue. Fortunate then will be the politician who has made his record and is ready to stand upon it. There can be no more politic act for a man in public life today than to place himself squarely upon the platform of restriction of immigration, and identify himself with an issue to whose importance and popularity all the signs of the times are now pointing .- Pitts-
