General Stevenson Cuts a Big Figure in Kentucky.

DON DICKINSON TO THE FRONT.

The Ex-Postmaster General Made Chairman of the Democratic Campaign Committee—Chairman Carter's Call—Breaks Independent Ticket Completed.

LOUISVILLE, Aug. 5.—The opening and dedication of the Watterson club house drew together all the leaders of the party in the state. The governor and his staff came down from Frankfort. The legislature was left without a quorum. But the chief feature of the occasion was the presence of Hon. Adlai E. Stevenson, Democratic nominee for vice president, who came at the invitation of the Watterson club and spoke both to the great concourse of the people at Liederkranz hall and to a smaller gathering at the Watterson club house, where he was given a reception and where Mr. Watterson, in spite of his recent severe illness, of which he showed decided traces, also spoke. Flags and bunting floated everywhere. The city was in holiday attire and spirits. The Watterson club house was gorgeous with decorations by day, and ablaze with illumination at night. The Hon. John Young Brown, governor of Kentucky presided over the great mass meeting and introduced General Stevenson to the immense audience. He was greeted with tumultuous enthusiasm.

Speeches were also made by A. McKenney, Hon. James A. McKenney, Hon. Boyd Winchester and Hon. Albert S. Willis and others. After adjournment of the mass meeting General Stevenson gave a public reception. The members of the Watterson club and their invited guests, then departed to the Watterson club, where a repeat followed by a "flow of soul" awaited the Democratic braves. Mr. Watterson, though still suffering from the severe attack of illness, made an address. The Kentucky legislature by unanimous vote, has invited Mr. Stevenson to go to Frankfort, and he proceeded thither this morning.

The Alabama Elections.

MONTGOMERY, Ala., Aug. 5.—Election reports have come in from sixty-two out of the sixty-six counties. The Kolb majorities have climbed up considerably from the back counties but the figures indicate that Governor Jones has been re-elected by a safe majority of 15,000 or 20,000. Kolb still claims that the official returns on Saturday will give him the election. The legislature is safely Democratic in both branches. The Alliance people, who still cling to Kolb, say they have won the fight and they will make Kolb governor. There is no good reason to suppose that this can be accomplished. It is reported that he will be a candidate for congress in the Third Alabama district against William C. Carter.

Stevenson's Reply.

AMSTERDAM, N. Y., Aug. 5.—After the visit to New York recently of Hon. A. E. Stevenson, the Democratic nominee for vice president, certain papers charged him with being intoxicated while a guest of the Manhattan club. In a letter to the editor of The Morning Sentinel of this city in reply to the charge as made Mr. Stevenson says:

BLOOMINGTON, Ill., Aug. 4.—Your letter of July 17, inclosing clipping, came to hand. I can only say in reply that the charge is absolutely false. Where I am known it is unnecessary to pay the slightest attention to such malicious charges. A. E. STEVENSON.

Fusion in Kansas.

LEAVENWORTH, Kan., Aug. 5.—John F. Willis, national lecturer of the Farmers Alliance and late People's party candidate for governor of Kansas, visited this city and held long conferences with several Democratic politicians. What passed between them is not definitely known, but it is understood Willis is to engage in a scheme to make Close, the People's party candidate for congress in this district, withdraw in favor of the Democratic nominee, Carroll, who is cashier of the Leavenworth national bank.

Dickinson Chosen Chairman.

NEW YORK, Aug. 5.—Don M. Dickinson was chosen chairman of the Democratic campaign committee. Bradley Smalley was elected secretary. A strong effort was made to induce Senator Gorman to take the chairmanship but it failed. William C. Whitman was present at the meeting by courtesy and was chosen a member of the committee. Mr. Harrity was authorized to appoint necessary sub-committees. They will be announced at a later date; also necessary assistants at national headquarters.

COUNCIL BLUFFS, Ia., Aug. 5.—Governor McKinley arrived here at noon yesterday. He was met at the depot by the reception committee and was driven to the Grand hotel, escorted by a procession of carriages and a band. After lunch a reception was held in the Republican league rooms in the hotel and at 3 o'clock the governor was driven to the fair grounds where he delivered a tariff speech under the auspices of the Twin City Chautauque.

Michigan Legislature Called.

LANSING, Mich., Aug. 5.—The Michigan legislature will convene in special session in this city today for the purpose of enacting an apportionment law in place of the one recently passed upon by the supreme court. Some lively times are expected, as the Republicans are likely to filibuster in order to consume the four days within which the law must be enacted if it is to apply at the coming election.

Nebraska Independents.

KEARNEY, Neb., Aug. 5.—The Independent state convention completed its ticket as follows: Lieutenant Governor—C. H. Schrader. Auditor—Logan McReynolds. Secretary—J. M. Easterling. Treasurer—J. V. Wolfe. Attorney General—V. O. Strickler. Superintendent of Public Instruction—H. H. Blatt. Commissioner of Public Lands and Buildings—J. M. Gunnnett.

WASHINGTON, Aug. 5.—The senate emphasized its position as a waiting body—waiting the action of the house on the sundry civil bill and desirous of knowing exactly what action the house was disposed to take before committing itself in any way. It transacted no business of its own, but took a recess until it received a reply from the coordinate branch. When that report was received, indicating that the house insisted on disagreeing to the world's fair amendment to the sundry civil bill, no action was suggested by the senate in line of further conference, but adjournment was made and carried until 2 p. m. today—one hour later than the time set for a vote in the house on the Durbin bill.

House. The storm clouds which have hovered over the house for nearly two weeks lifted and there is sunlight ahead. Unless something unforeseen happens there is every indication to believe that the fight over the world's fair item has ended. The sundry civil bill will pass, and also a bill making an appropriation, as a gift, of \$2,500,000 for the fair and that congress will adjourn in a few days. The resolution extending the appropriation under the sundry civil bill six days was passed. M. Holman offered a resolution that the house should reconsider the vote by which the senate amendments to the world's fair bill were concurred in; insist upon a further disagreement and again send the bill to conference. This was adopted after some debate by a vote of 151 to 50. Mr. Reilly (Dem.) of Pennsylvania, then offered a resolution that the house proceed to consider the substitute for the Durbin bill, appropriating \$3,500,000 for the world's fair and vote upon it at 1 o'clock. This was adopted under suspension of the rules, 167 to 7. Mr. Bailey (Dem.) of Texas, leading the small majority.

A Boy Bigamist. MILWAUKEE, Aug. 5.—Eddie Neat, a boy living at Brandon, a small town west of this city, was arrested at Grand Rapids, Wis., and taken to the former place to answer the charge of bigamy. On July 31, he was married by Justice W. D. Conklin of Fond du Lac, to Edith Aebel, of the town of Springvale. The next day he left her and ran away with a Miss Gertrude Cole, also of the town of Springvale, and they were married the same day by Elder Whiting, of the town of Waupun, after which they started for the far north to spend their honeymoon together and enjoy married life. They managed to get as far as Grand Rapids, where they were overtaken by the sheriff.

Killed by His Son. EVANSVILLE, Ind., Aug. 5.—William Hodson, a master drayman and a member of a prominent family in this city, was shot and killed by his son, Harry. It appears the tendency of the family was at first to shield the son in his crime and attribute the death to suicide, but this was exploded by an eye witness. The son was arrested. The deceased was an active Republican and a generally well-liked man.

DUQUESNE'S RIOT.

Homestead Men Intercept the Scabs at the Mill Gates.

A SAVAGE BATTLE WITH CLUBS.

Twelve or Fifteen Men Badly Injured. The Strikers Losing Ground by Reason of Desertions from Their Ranks—Frick and Others Give Ball.

PITTSBURGH, Aug. 5.—A riot occurred at the Duquesne plant of the Carnegie Steel company resulting in the injury of about fifteen men. Foreman Millstagle and another workman were fearfully cut about the head, and about a dozen others received bruises and many were knocked down. The property is now in charge of the Sixteenth regiment. Colonel Hulings, who is in command, said: "Most of the Duquesne workmen have signified their intention of returning to work, a detachment of forty men was ordered to report for repairs. As they approached the gate the mob drove them back with clubs. Deputies in charge of the mill rushed to the spot but were powerless. The men about to enter ran for their lives and the deputies dispatched to General Wylie, who ordered the Sixteenth regiment here." Colonel Hulings has reported to General Wylie that two companies will be a sufficient guard. It is said the assailants were strikers from Homestead. Carnegie's employes have lost the strike in Duquesne, as 510 of the men have signed agreements to return to work next Monday. Fully half this work are Amalgamated men, who, in order not to lose their places have deserted the organization. This is a severe blow to the Homestead strikers, who have so confidently relied upon the Duquesne men to help them out. Some of the leaders are frank enough to admit that desertion of so many men at this time will aid the Carnegie company in its Homestead fight. Every effort will be made to keep the Duquesne contingent from returning to work Monday morning but the leaders acknowledge they have very little to hope for so long as the military remains.

Released on Bail.

PITTSBURGH, Aug. 5.—Superintendent Potter of the Homestead mills and his two assistants, James Dover and Nevin McConnell gave bail in \$10,000 each to answer the charge of murder preferred by Hugh Ross. The court also ordered that Frick be admitted to bail in the same sum and that the bond be taken to his house for signatures. Fred Primer, one of the Pinkerton detectives for whom warrants were issued at the instance of Hugh Ross, surrendered to Alderman King and was committed to jail for a hearing Saturday morning at 10 o'clock. Everything is quiet at the Union mills with no indication of trouble.

A Sympathetic Strike.

PITTSBURGH, Aug. 5.—A letter received in Homestead says the employes of the Studebaker wagon works have gone on a strike. The employes number about three thousand men, all of whom are out. The direct cause of the strike is the fact that the Studebaker works are using steel produced at the Carnegie works.

Levy, Orange, N. J.

Mars. LICK OBSERVATORY, Cal., Aug. 5.—Prof. Holden said that many inquiries had been received during the present "opposition" of Mars, indicating widespread interest in the observations now going on. There appears to be a misapprehension of the work being done on the planet here and elsewhere. "We are simply endeavoring," he said, "to obtain more accurate information regarding the planet; that is all. We also wish to know how nearly Mars resembles the earth, and whether it is fit to be inhabited by beings like ourselves. In my opinion the time has not yet come to even speculate on this question."

Kansas farmers are having trouble with cattlemen and cowboys. Mr. Morley's Conservative opponent has decided to abandon the contest against his return to the English parliament. Representative Wilson of the Hawaiian legislature, has introduced his "no confidence" resolution, and it has been defeated. New Providence, Ind., was visited by a \$25,000 fire, and Peoria, Ill., was also damaged to the extent of \$85,000 by a conflagration.
