During Tuesday the deadlock was the only topic of conversation. Some thought one candidate ought to withdraw, while others believed it was the 1.00 duty of the opposing candidates to get out of the way and allow their friend to be elected, but nothing was accomplished until evening, when all the candidates and their friends got together quietly and settled the matter before the board was called to order. Over this beloved land:

CHORUS: Brightly shines redeeming mercy. Lift your volve to Him above Ever ready now to bless us-Bless us with His wondrous love. Onward march with one accord. Trusting Him, our Sovereign Lord.

Brightly shines redeeming mercy. From the princely throne above Shedding rays of Heavenly lustre. Eminating from His love. Priceless love, that knows no ending. Ceaseless ages to attain, Radiant visions. God's own blending. Human wisdom can't explain. Fightly boldly, never swerving. From our duties for the same. With our motto on our banners, ' Liberty we will maintain.'

Brightly shines redeeming mercy. Lisp the song we early learned. At the feet of love and justice. Baser motives nobly spurned! Ever ready, ever patient, With a purpose grand and true. Ever watchful, ever onward. Machinations to undo. Sureading bright and starry banners. Floating 'neath the balmy trees. Shouting long and loud hosannas. Reverberating through the trees Forward march, with one accord. Praise our King, ye loyal horde.

#### Not Upon Religious Grounds.

So far as we have seen, everything which has been said against the A. P. A. has been based upon the idea that the A. P. A. is fighting Catholics upon religious grounds. As a matter of fact, no such reason, as we understand it, enters into the motives of the A. P. A. members. It is upon political grounds that they are fighting the Catholics, for the reason that the Roman Catholic church is not simply a religious, but an oath-bound political organization or a 00 religious political one. It is the political part of it which the A. P. As. are fighting, and not the religious. The Catholics themselves have forced the fighting by turning their church into a solidly together, compelling candidates

and parties to agree to their demands.
