

THE NEW DAILY SCHEME.

The friends at Omaha are trying to raise sufficient capital to start an American daily. They already have a fair start, but desire the assistance of friends everywhere in the United States.

In answer to repeated requests we have finally consented to undertake the task of starting a DAILY AMERICAN in Omaha. This would be an easy thing to do if people were to act as they talk.

We have consulted with our friends, and they have suggested this plan: Increase the capital stock of the American Publishing Co. to \$150,000. Divide into 10,000 shares of \$15 each.

Each stockholder must be a subscriber. The subscription price of the paper, first year, will be \$10; 88 the second, and whatever the directors decide thereafter.

The management of the company will be placed in the hands of a board of directors, who will be elected from among the stockholders, by a majority of the stock represented, at the regular annual meeting.

The indebtedness will not be over 40 per cent of the capital stock at any time.

If you want to help establish a DAILY AMERICAN, fill out and return to this office the following blank, keeping this statement as our part of the contract:

On demand, after \$100,000 of the capital stock of the AMERICAN PUBLISHING COMPANY has been subscribed, I, (state) this day of 1895, agree to pay to the AMERICAN PUBLISHING COMPANY, or order, the sum of \$100.00 Dollars, being the purchase price of one share of the capital stock of the AMERICAN PUBLISHING COMPANY, of Omaha, Neb.

Also, please fill out the following blank for our information, as we do not want to have a Romanist associated with us in business:

I hereby state and make this a part of my contract with the AMERICAN PUBLISHING COMPANY, that I am a Protestant; that I am not the agent of a Roman Catholic or of any person who sympathizes with the fight being made by the pope and the hierarchy against the free institutions of this country.
