CITY AND STATE

The Water-works Company are enlarging their mains on Sixteenth street.

J. J. Galligan, who was chief of the fire department for a number of years is dead. He was buried Friday.

Next Wednesday evening will be the regular meeting of the Omaha Retailers Association, at which a large attendance is anticipated.

J. H. Conley, a prominent citizen of Auburn, attempted suicide last Tuesday. Despondency over financial troubles is said to be the cause.

Judge Joseph H. Blair has been appointed for the receivers of the Union Pacific railway in Idaho, with headquarters at Pocatello. He leaves this city April 25th.

The semi-annual meeting of the Grand Commandery of the Masonic Order of Nebraska was held in Omaha on Wednesday of this week, at which new officers were elected.

The Republican state convention held in Omaha Wednesday chose John L. Webster, Peter Jensen, T. P. Kennard, and Geo. Thummel as delegates to the St. Louis convention.

Valley, Nebraska, is soon to have a new school house. It will be a two-story brick structure, and contain all the latest improvements in heating and ventilating. R. L. Carter of this city is doing the cornice and galvanized iron work.

The trouble between the constables elected in the city and those of the country was settled in a test case before Judge Scott Tuesday. The permanent injunction granted by the court confines business of constables to the precincts for which they were elected.

The attention of our readers is called to the advertisement of Dr. Withers, the dentist in the Brown block. Dr. Withers is one of the pioneers in low-priced dental work in Omaha, and his large experience is a guarantee that it will be first-class in every respect.

An exciting run-a-way occurred on South Thirteenth street Thursday afternoon. The only occupant of the wagon was a little girl about 10 years old who held the reins screaming for help. As it turned the corner of Jones street a young man climbed into the rear of the wagon, took the girl under his arm and slid out, and all escaped uninjured, much to the relief of the bystanders, who expected to see her thrown out upon the pavement.

There will be a great time up at Washington hall next Thursday night. The John L. Webster Club will be the recipient of a beautiful flag. Hon. John L. Webster will present the emblem and Hon. John L. Kennedy, on behalf of the club will receive it. There will be music by the John L. Webster Glee Club, instrumental music and a cornet solo by Prof. Geo. Walker of the Seventh Ward Military Band besides other exercises. Ladies are especially invited. Come and bring your friends. Don't forget the date. Thursday night, April 23d.

AMUSEMENTS.

At the Boyd, for three days, commencing with a matinee Sunday afternoon, "The Bicycle Girl" will hold sway. Miss Nellie McHenry, a favorite, and one of the stars of Salisbury's Troubadours, is in the cast, too, and just as full of her old-time vivacity and rollicking humor as ever, in a role that gives her every opportunity for the display of her versatility. "The Bicycle

Girl" is described as a cyclo-comedy, a satire on the bicycle craze and "new" woman insanity, and is said to be full of fun, song and dance. The local wheelmen intend turning out in force to the performance on Monday night.

On Tuesday evening, May 5, Colonel Robert G. Ingersoll, the renowned orator and logician, will deliver a lecture at Boyd's Theatre. It has not yet been decided whether he will speak on "The Foundations of Faith" or "Why I am an Agnostic." It may be necessary to ask for a popular expression as to a preference of these subjects.

Eighty students from the University of Michigan, composing the glee and mandolin clubs from grand old Ann Arbor, will give a characteristic concert at Boyd's Theatre on the evening of April 24. A most novel and excellent program has been announced. The event will be assisted socially by the extensive local alumni and a large corps of patronesses. On the 11th inst. this club gave a concert at Central Music Hall, in Chicago, and the spacious auditorium was crowded to the doors. The Chicago papers spoke of the entertainment as being most pleasing and artistic. One critic even went so far as to say that it was the best college glee club that had yet appeared in Chicago.

Xaver Scharwenka, the great Polish pianist, will appear in concert at Boyd's Theatre on Monday evening, May 4. He is not only a master of the piano, but a composer of international reputation. Scharwenka at present is court pianist to the Emperor of Austria, and professor of the Royal German Conservatory. The coming of this distinguished musician is hailed with delight by local music-lovers.

SCHOOL QUESTION THE ISSUE.

Tupper and Laurier Will Oppose Each Other in Winnipeg Politics.

WINNIPEG, Man., April 10.—Winnipeg is to have a battle royal and the parochial school question is to be the issue. At the close of parliament at Ottawa, Sir Charles Tupper will leave for Winnipeg and will be invited by the conservatives here to stand for Winnipeg at the forthcoming general elections. If he accepts the Liberals will invite their leader, Hon. Wilfred Laurier to oppose him, and here at the birthplace of the troublesome school-question, the battle between the giants will be fought. If it occurs it will be the most exciting political battle in Canada's history.

LONDON, April 10.—The St. James' Gazette this afternoon, commenting on the debate at Ottawa on the Manitoba school question, says that the school bill is a farce, adding:

"Sir Charles Tupper may wish to pass it, but the conservatives and liberals want to take the issue into their constituencies. It is satisfactory to know that the matter is purely political and that the Manitobans will not fight for state rights."

The Globe, commenting on the same subject, says:

"The tactics of the opposition put to shame the most experienced obstructionists in the house of commons and can only injure the side they are intended to serve."

What C. A. Potter Says.

OMAHA, Neb., Aug. 31, 1895.—The Howard Medicine Company.—Gentlemen: I desire to say to all who feel the strength of their manhood slowly slipping away, whose ambition is at its lowest ebb, whose minds are clouded, and the senses dulled, when you feel dyspeptic, and lose your self-respect, that your blood is out of order, and all you need is some of Howard's Vegetone Blood Powder to tone up your system. It will act almost instantly upon the blood; you will feel the re-juvenated life and vigor coursing through your system; you will feel the old-time grip in your hands; your mind will be as active as ever; your friends will observe the

flag of health flying in your face, and you will feel like a new being. I have not felt so well for five years as I do since taking one package of your Blood Powder, and I feel as strong and active as ever. I weigh 15 pounds more than ever in my life. The change is so marked that it is the subject of comment when meeting my friends. I recommend Howard's Vegetone Blood Powder to be, as I believe, the greatest blood-purifier on earth.

C. A. POTTER.

Because She Has Cash.
NEW YORK, April 14.—Miss Virginia Fair, so the New York Journal intimates, has gone away, probably to Rome, to see if she cannot get a dispensation permitting her to marry a divorced Englishman named Kersey. As she has a fortune of several millions, she will, of course, have little difficulty in obtaining the pope's permission.

Beware of Ointments for Catarrh That Contain Mercury.
as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.

Armed Military Organization.
ATHENS, Ohio, April 11.—The principal Roman Catholic church of this place has an efficient military organization connected with it. The papists are all ready to fight for the supremacy of their unholy cause, whenever occasion shall require.

What Relatives Of my Patients Have To Say.

One of My Great Cures During The Month of October, 1895.

Read the following convincing testimonial from two prominent Omaha Citizens:

Judge Isaac S. Hascall and R. F. Williams have this to say. "We consider Dr. C. Gee Wo of 519 North 15th St., Omaha, Neb., one of the best physicians in the city for the following reasons: Four years ago our daughter became very nervous and at times sick and unable to control herself. We doctored with and consulted nine of the leading physicians of this city, but she gradually grew worse, until on the 7th of October, 1895, she was attacked with spasms. She was unconscious and delirious for weeks following the attack, and at a consultation of physicians they agreed that she could not get well. We then employed Dr. C. Gee Wo, and the patient began to improve at once, and in a remarkably short time was up. She is feeling better than she has for a long time. She is improving every day and bids fair to get entirely well."
ISAAC S. HASCALL, a near Relative,
2105 S. 13th St.

EX-CONSISTABLE S. B. CLARK, office 319 S. 14th St., says: "I can't say too much for Dr. C. G. Wo. My little boy and girl had diphtheria and other physicians said they could not recover. I then called in Dr. C. Gee Wo, and in less than 24 hours they were out of danger. He also cured myself of Lagripp and general debility, and my wife of inflammation of the bowels and female weakness, from which she had suffered many years. I can't thank him enough for what he has done in my family."
