THE PROMISED LAND,

Why the Tourist, Traveler and Student Should Visit Utah.

There are two reasons, either one of which ought to be conclusive with every American citizen.

First:-The trip from Denver to Utah via Rio Grande Western, "Great Salt Lake Route," is the grandest to be found anywhere on the continent. No European trip of equal length can compare with it in variety and grandeur of scenery and wealth of novel interest.

Second:-You should go because, when you have made this wonderful trip, you will find Utah at the end of it-Utah, one of the world's famous spots, and a land of gold, silver, copper, iron and coal; of lofty mountains and fertile valleys; of vineyards, fruits and flowers. Salt Lake City, the capital, is of great interest on account of its historical and religious associations. Here are Hot Thermal Springs, Warm Springs, Sulphur Springs, Sanitarium, Parks, Drives, Canyons and the most healthful climate on earth. Great Salt Lake, with the new and beautiful Saltair Beach Resort, of Moorish design, has no equal in America. Write to F. A. Wadleigh, Salt Lake City, for copies of pamphlets, etc.

ORANGE PRINCIPLES. On behalf of the Loyal Orange Lodge of the United States of America, and with a view of correcting the false impression that enemies are endeavoring to convey to the minds of men who are unacquainted with Orange principles, are these few statements The Loyal Orange Institution is a brotherhood and sisterhood, bound by three ties-

That it is the duty of every citizen to defend the lawfully constituted authority and institutions of our country against corrupt and inimical influences, as well as against armed assailants, to the end that our glorious freedom be protected and transmitted unimpaired to posterity.

It encourages habits of frugality and in dustry among its members, and is proud to boast that Orangemen seldom become s public charge or accept pauper bread. It believes in the restriction of immigra-
