THE PROMISED LAND,

Why the Tourist, Traveler and Student Should Visit Utah.

There are two reasons, either one of which ought to be conclusive with every American citizen.

First:-The trip from Denver to Utah via Rio Grande Western, "Great Salt Lake Route," is the grandest to be found anywhere on the continent. No European trip of equal length can compare with it in variety and grandeur of scenery and wealth of novel interest.

Second :- You should go because, when you have made this wonderful trip, you will find Utah at the end of it-Utah, one of the world's famous spots, and a land of gold, silver, copper, iron and coal: of lofty mountains and fertile valleys: of vineyards, fruits and flowers. Salt Lake City, the capital, is of great interest on account of its historical and religious associations. Here are Hot Thermal Springs, Warm Springs, Sulphur Springs, Sanitarium, Parks, Drives, Canyons and the most healthful climate on earth. Great Salt Lake, with the new and beautiful Saltair Beach Resort, of Moorish design, has no equal in America. Write to F. A. Wadleigh, Salt Lake City, for copies of pamphlets, etc.

R. H. Woodward Company, of Baltimore, Md., are making a most liberal offer of \$200.00 to anyone who will sell 200 copies of "Gems of Religious Thought," a new book by Talmage. This is one of the most popular books ever published. Three editions sold in 60 days. Agents sell 10 to 15 copies a day. An Estey organ, retail price \$270, given for selling 110 copies in 3 months. A \$100 bicycle given for selling 80 copies in 2 months. A gold watch for selling 60 copies in one month. This premium in addition to commission. Complete outfit 35 cents. Freight paid. Credit given. Agents wanted also for "Talks to Children About Jesus." One hundred and fifty thousand copies sold, and it is now selling faster than ever. Same terms and conditions as on "Gems of Religious Thought." Other popular books and Bibles also. They offer special and most liberal rates to students and teachers for summer vacation. During last summer a large number of students and teachers canvased for their books. Among the list there were 23 who made over \$200, 57 who won the \$200 premium, and 76 made over \$150 for their summer work. Write them immediately

UTAH-THE 45TH STATE.

The Homesceker's Promised Land. The territory of Utah entered the Union of States on January 4th, 1896, with a population of about 200,000 people and a climate unsurpassed in the wide world. It is richer in agriculural resources than any other state. It has within its borders nearly all of the known minerals and metals-gold, opper, iron, tin, etc., in abundant quantities. It has, best of all, a health-giving climate, always temperate in summer and in winter. It has hot sulphur springs, and is in fact one large sanitarium. Utab is the ideal place to build a home in which to spend the balance of your days, surrounded by farm and orchard which guarantee all the necessities and most of the comforts of life. There are millions of such homes now sawaiting set-Send to F. A. Wadleigh, Salt Lake City, for copies of Utah pamphlets. It will pay you to post yourself on the merits of the new state, which has been amply termed "The Promised Land."
