ED. JOURNAL:—

The Dawes County Journal of Sept. 7th comes up from below with a very expressive article casting reflections on our Republican delegation to the Senatorial and Representative conventions. We are sorry to have such things said about our Republican delegates but such is life. The following is an extract:

"The Senatorial convention at Rushville on Wednesday closed a book marked by only one black and dirty chapter."

Sioux county was misrepresented by two incapables who deliberately delivered themselves over, body and breeches to unscrupulous drivers and were voted like brutes to betray not only the interests of Dawes, Sheridan and Box Butte counties, but the material interests of Sioux county as well, for the latter county is bound to her sisters by ties of location and association which cannot be cast away, and what is the serious injury of these counties must be the serious injury of Sioux county as well. These bright delegates, who by pure accident and unthinkingness were given so important a trust, sold and delivered the welfare of the county which they so unhappily misrepresented, and the closely allied friends and neighbors of that county as well. It was the most brazen, openly traitorous deal which has ever been maneuvered and engineered in northwestern Nebraska and the men who accomplished the dirty work—the men who so openly and confessedly betrayed and bartered away the interests of the people they were instructed to represent—who so brazenly violated their voluntary pledges and obligations deserve the indignant censure and condemnation of every honest republican and every honest citizen. They are devoid of the attributes of honesty and truth, unfit for any trust, and unworthy of any confidence or belief. It was a black and disgraceful page of political infamy. ***

It made no difference, however, who the person put forward was. The traders were organized to defeat any west end man, and so Mr. Carley went down with colors flying, honored by the solid support of Dawes, Sheridan and Box Butte counties, and defeated by only one majority. He was deliberately sold out by Hunter and Davis of Sioux county, and they were fixed to defeat any man whom the west end might name. ***

That justice was defeated, that the west end was sold out, was a disgraceful and dirty job, the opprobrium of which must rest on the shoulders of the men who were guilty of it and responsible for it.

Wednesday night after the close of the Senatorial fight at Rushville, and after the delegations had adjourned to Chadron, the Sioux county delegation, represented by the "honorable" Mr. Hunter, went into executive caucus over a monte table. Mr. Hunter had four hundred or five hundred dollars in a big fat roll which he made a great show of. He dropped probably \$150.00 into the insatiable tiger's maw before he was through, and didn't have but \$350 left of his bundle to go home with this morning. The democratic machine in Harrison which owns and commands Mr. Hunter body and breeches, has reason to be proud that he was valued so high in republican circles, and that he carried out the dirty work he was bought for and set to do, with such dog like fidelity."

HOW THE PEOPLE'S MONEY GOES.

The Editor of the Herald, E. D. Satterlee says in the issue of the 15th, that I had accused the county officers with some "irregularities." No! no! Satterlee, read it again. It means that you in presenting and swearing to claim No. 355 for one hundred dollars swore falsely, and that false swearing is perjury, and that a man convicted of perjury shall be confined in the penitentiary, according to the Compiled Statutes 1887, pg. 899, Sec. 155.

If any person having taken a lawful oath, or made lawful affirmation in any judicial proceeding, or in any other matter where, by law, an oath or affirmation is required, shall upon such oath or affirmation wilfully and corruptly depose, affirm or declare any matter to be fact, knowing the same to be false, or shall in like manner deny any matter to be fact, knowing the same to be true, every person so offending shall be deemed

ed guilty of perjury, and shall be imprisoned in the penitentiary not more than fourteen years nor less than one year.

And here is the bill you presented. Sioux County, Nebraska:

To E. D. Satterlee, Esq.

July 1st, 1888.

To expenses as attorney at District Court. \$100.00

Total. \$100.00

I, E. D. Satterlee, do hereby certify that the above account is just and correct and neither the whole nor any part of the same has been paid by the county or by any individual.

E. D. Satterlee.

Subscribed in my presence and sworn to before me this fifth day of

SEAL July A. D. 1888.

Chas. C. Jameson, County Clerk.

Warrant ordered issued.

A. McGinly, Board of

Daniel Klein, of

Don M. Weir, Commissioners.

STATE OF NEBRASKA, ss:

County of Sioux.

I, Charles C. Jameson, County Clerk of the county of Sioux, do hereby certify that the within is a correct copy of the original bill number 355 as filed in my office and entered on book "A" of Register of Claims and Clerks Warrant Register.

In testimony whereof I have hereunto set my hand and the seal of the SEAL county, at Harrison this 15th day of August, 1888.

Chas. C. Jameson, County Clerk.

Is this "irregularities," salary grab, stealing the people's money, robbery or all.

I desire to call the attention of the tax payers of Sioux county to a few items as they appear on record in the Clerk's office. Mr. E. D. Satterlee comes up smiling and presents the following claims:

No. 18, Jun. 20, 1887 expenses and salary, \$323.11

No. 116, Oct. 4, 1887, salary, 125.00

No. 148, Jan'y 9, 1888, salary, 125.00

No. 266, April 13, 1888, salary, 125.00

No. 354, July 5, 1888, salary, 125.00

No. 355, July 5, 1888, salary extra, 100.00

Total. \$923.11

This is the amount the County Attorney has taken out of the county Treasury up to July 1st, 1888, on a statutory allowance of \$300 per annum. Satterlee is good at figures.

Hunter falsifies in saying that I told Hans Denker not to pay his costs in his case against Ring.

He falsifies when he says there is a case on his docket; State vs. Walker, except the one appealed to the district court from Hunter.

He falsified in saying that I misquoted the law in the JOURNAL.

He is a shameless, Godless, damnable prevaricator when he does impugn the idea that the letters of Mr. Corby are not true copies, in which Hunter says that he had done all that is required by law, and thereby acted as attorney in said contest.

Yours Very Respectfully,
GEORGE WALKER.

How's This!

ED. JOURNAL:—
Mr. Hunter in the Republican of Sept. 18th, says that Mr. Walker had led me into a lawsuit for the purpose of bleeding me, and that I had told Mr. Walker that I owed the money on the note. I will hereby state that the above allegation of Mr. Hunter is false in every particular.

WM. H. HAWN.

A new republican paper is to be issued in Sioux county this week, bearing the name of the SIOUX COUNTY JOURNAL. This was the name of the first newspaper published in northwestern Nebraska, and volume one bearing that head is bound and filed away in this office. We wish the SIOUX COUNTY JOURNAL success, and we wish the Republican party of Sioux county purification from the \$500 Judases who sold themselves so cheap and disgraced the party and the unfortunate county in which they claimed citizenship.—Dawes County Journal.

All correct except the political part.

The downfall of the political ring in Sioux county is near at hand, they have become too bold and their attempt to run the whole of Sioux county means sure defeat. An independent paper is soon to be started at Harrison for the purpose of exposing their schemes and we predict for it a profitable career.—Crawford Crescent.

Manville voted bonds of \$5,000 for a school house, instead of a court house as it appeared in these columns last week.

Unless unavoidably delayed the JOURNAL will be mailed regularly to subscribers on Thursday morning.

ANTELOPE VALLEY ITEMS.

Sept. 17, '88

With a good crop and a promise of plenty for the coming winter, the so called Grangers of this end of the country are feeling in good cheer.

The latest thing in the way of a good substantial improvement is a new dwelling by E. H. Salsbury, also Mr. Zimmerman has erected a fine dwelling.

The next thing we wish to hear of in this precinct is the organization of a school.

Jack Ragland has returned from Running Water, to stay on his farm. Jack has a nice place and a good crop, but it is a query with some as to whether he is a cow man or a pumpkin roller. Jack explain yourself.

Mr. Charles Brooks still continues to make hay, notwithstanding the large stacks he has recently built, and after riding the mower all day he makes a sleepy gap and says: Oh! hum! hay!

Three new settlers have recently settled on Antelope, and Uncle Sam's Domain is fast being converted into good farms and happy homes.

There is church services held at the Storie house on Antelope, every three weeks. Sept. 30, is the next appointment. Rev. Garjon officiating.

Mr. S. R. Storie is still at Kendall's mill, while Oscar is still putting up large stacks of hay.

The boys are getting anxious for the promise to be fulfilled of a social dance at the new residence of Mr. Salsbury.

We are in somewhat of a hurry to-day as we know of a good watermelon patch in the neighborhood, and we love our friends, yes, we are getting quite portly owing to the good melon crop.

Before closing we feel like saying a word for the JOURNAL. We think it a paper worthy the support of every true farmer of Sioux county. We think it a paper—from the stand it has taken—that will stand by the people and not for a small monopoly. We are invited to examine the records of our county. A few are doing so. As to general satisfaction, I refrain, but the next thing we expect to hear of is the purchase of the new court house from the Harrison precinct, which would be no fraud, more than the disfranchisement of the rest of the county. We ought to stand it, Montrose did last fall. It appears to us more unfair to disfranchise the precinct of Montrose than to call the neglect of three or four men a fraud. We should lay aside party and take up men that will serve the people.

Mr. Turner and Mr. Langdon are the only democrats in this precinct and they are working a few republicans to meet in caucus and send them to the county convention. Think the boys will get there. Very Respectfully,
WEED WRESTLER.

The JOURNAL welcomes the most of the above article with pleasure. Our columns are always open to everyone for discussion or comment on all subjects of interest to the people of Sioux county. But we desire to say that the idea of Sioux county purchasing the court house of this precinct is all visionary, it cannot be done, and no one here has any idea of such a thing. Harrison and Sioux county prosper together and there should be liberty and justice in all parts of the county.

Will You Subscribe?

This is the last week that sample copies of the JOURNAL will be sent out to the people in general, and you are earnestly requested to subscribe for "the peoples paper." If you cannot call at once and subscribe, send in your subscriptions by a friend or by mail, being sure to write the name and address plainly. No one should miss a single copy. Those interesting articles of Mr. Walker's and others, will continue weekly and be more and more interesting to the tax payers of Sioux county each week. Notwithstanding the fact that the P. M. at this place refuses to accept the JOURNAL as "second class matter" and may refuse to accept it at all, we assure our subscribers that the paper will reach them if we are obliged to carry it there and go all the way on foot.

DIED:—Mrs. John Garrison, living about five miles south of Montrose, died very suddenly last Monday evening. Mrs. Garrison was engaged during the day in doing the family washing and in the evening after eating a hearty supper, laid down to rest. Shortly after she asked her husband to bring her a drink of water. He immediately brought the water but on presenting it to her she was found to be dead. Heart disease is ascribed as the probable cause. Mrs. Garrison at the time of her death was about forty-five years old. The sympathy of the JOURNAL is extended to the bereaved family.

The new shingle mill on east Hat creek is now in full operation. You can now get first class native shingles and lumber from Isaac Kendall at low rock prices.
