One of the court house chimneys took a flying leap to the ground Sunday night during the breeze.

Conrath Gasser has closed up in the saloon business here and will engage in the bakery business at Crawford.

Mr. and Mrs. Thos. Murphy are the happy parents of a bran new girl that came to light on the 24th of last month.

P. H. McVay, assisted by S. R. Storey and John Ragland as witnesses, proved up before the Clerk Monday on a pre-emption.

We understand that Mr. C. F. Carleton has accepted a copartnership with E. D. Satterlee and the firm will engage in the real estate business. An appropriate quotation in connection with this would be:

"Will you walk into my parlor? said the spider to the fly."

Mr. J. C. Emery, of Sioux county, Ia., was here recently looking after his claim and other business matters. He returned home Monday and expects to move to this county permanently in the spring. This is his second trip to this country and his former good opinion of it is increased.

The Harrison Cornet Band will give a dance on the evening of St. Valentine's day; February 14, '89. The success that has attained heretofore in this line they will strive to exceed on the 14th. A P. O. department will be kept in the room and all who desire can bring their valentines and deposit them there and at eleven o'clock the postoffice will be opened and mail distributed.

For some unaccountable reason there seems to be an idea afloat that the amendment which is to be submitted to the people a year from next November must receive a three-fifths vote to carry. This probably arises from a mixing of ideas on the legislative and popular vote—the one requiring a three-fifths vote to submit, the other a majority vote to adopt.—State Journal.

The Oelrichs Advocate says: A subcontract has been let for grading ten miles of the B. & M. in this county out from the Cheyenne river, which will take the same to Big Plain valley. The grading outfit arrived on the ground this week and will commence active operations at once. The Advocate predicts that the B. & M. will be running entirely through Fall River county by the 4th of July.

"Have you been over to Chas. Klein's to-day?"

"Yes."
"What is Charlie doing?"
"Stands with his head in a large barrel hallooing to the top of his voice, 'Pa, pa, papa.' They have a nice boy over there of the usual weight, that came on the 4th of February, and I think Charlie will be in his right mind again in a few days. Dr. Shaffer reports the mother and child doing well."

H. T. Conley of Harrison, Sioux county, is in the city and is registered at the Capital hotel. Mr. Conley was a student at the State university for several years and upon leaving Lincoln settled in Custer county, whence he recently moved to Sioux county. He is an enthusiastic believer in Sioux county and declares that for plenty of rain, warm winters and good crops, his part of Nebraska cannot be beaten.—Lincoln Daily Call.

Dore Trimbur brings the news from Dakota Junction, that a branch road is to be built from there to run near Sugar Loaf and out through the Hat Creek valley. Railroad rumors are flighty as the dutchman's flea and we do not advise our readers to bet on the strength of this rumor.

Mr. Peter Buffer who was quite seriously hurt last Saturday by the falling of a log on his head is said to be recovering slowly. He lives near Montrose but was up in one of the canyons getting house logs and was loading a large log on the wagon when his foot slipped and let it back upon him.

W. H. Zimmerman returned from a three months trip to Iowa Monday. Mr. Zimmerman looks as though his trip had been a pleasant one and he assures us it surely was.

JOHNIE COME LATELY.

From White River.

Mr Editor of the SIOUX COUNTY JOURNAL:—I notice in your issue of January 24th, No. 19, that you start out by appealing to the farmers, merchants, stockmen,—everybody, and asking:

Do you favor an economical administration of county affairs? We do.

Do you favor a fair vote and honest count? We would like that very much.

Do you believe in justice? We do.
