The non-partisan W. C. T. U. ladies who objected to becoming a part of the third party organization have adopted the name of the Non-partisan Woman's Christian Temperance Union.

Ladies contemplating taking a short trip will do well to follow the example of Nellie Bly on her recent trip around the world.

The Columbus Sentinel is moved to remark thusly on a pertinent topic: The Sentinel would be pleased to see Hon. L. D. Richards, of Fremont, nominated for governor on the republican ticket next fall.

Frank Carpenter, the well known correspondent, in writing of the animals in congress, which he calls the national museum, speaks of Representative Dorsey of Nebraska, as weighing 150 pounds.

Last week Hon. Franklin A. Paddock brother of senator A. S. Paddock of this state, died at his home in New York.

The death of ex-Senator Riddleberger closes the life of a man who should be remembered as an example of misapplied ability.

The Doves County Journal is preparing to advance in good shape. The proprietor has recently been to Chicago where he purchased a fine new power press and a car load of stationary and paper stock.

Receiver Steinmetz, of McCook, and Receiver Hudson, of Lincoln, are each found to be short in their accounts about \$2,800.

The recent exploit of Nellie Bly has eclipsed the record of Jules Verne's hero in "Around the World in Eighty Days."

On January 23d the state board of agriculture decided the location of the state fair for the next five years in favor of Lincoln.

Attorney General Leese has addressed an open letter to United States Attorney General Miller relating to the Union Pacific railroad, in which he charges the company with gross violation of the laws relating to the doings of that company.

County Finances.

The matter of the estimate of expenses for running the county for the ensuing year as shown in the proceedings of the county board has given rise to some expressions of surprise.

The estimate for 1887 was: District court fund, \$3,200.00; Special bridge fund, \$1,750.00; Road fund, \$3,000.00.

The total levy for the year 1887, for all purposes, was \$5,924.68. So that the levy was but a little over one-half the estimate.

For 1888 the estimate was: Outstanding indebtedness, \$1,200.00; District court expenses, \$2,000.00; Salaries, \$2,500.00; Stationery, \$300.00; Printing, \$500.00; Officer's fees, \$2,000.00; Office rent, \$300.00; Special bridge fund, \$2,000.00; " road, \$2,000.00; Incidental, \$2,000.00.

The levy for 1888 on the above estimate was as follows: General fund, \$7,222.19; Bridge fund, \$1,518.87.

For 1889 the estimate was as follows: District court expenses, \$2,500.00; Salaries, \$2,500.00; Stationery, \$300.00; Printing, \$500.00; Officer's fees, \$2,500.00; Rent, \$100.00; Bridges and roads, \$3,000.00; Other expenses, \$3,000.00; Incidental, \$3,000.00.

For the ensuing year the estimate is \$87,800. Allowing that the levy will be one-half that amount would make it \$43,900, but it is hardly likely that the levy will reach that figure.

In the estimate for the year 1890 there is an estimate for \$12,500 for purposes not mentioned in any of the estimates for previous years, including indebtedness and interest, court house and jail, insane and poor fund, allowed accounts outstanding on the court house and soldier's relief fund, and it must also be remembered that as the county is settled up it costs more to meet the necessary expenses than it ought to have done when the county was new and contained but a few settlers.

A temporary break was effected in the House of the Iowa legislature on last Monday. All that it does is to permit of a temporary organization so that the members can be sworn in and become entitled to recognition.

As we have remarked previously politics is a queer game—especially in Sioux county. Here is Mr. L. O. Hull who was appointed county attorney in that halcyon Jan. 7th.

Mr. Hull kicks and we don't blame him. A man who wouldn't kick after being fooled that way would be no account in Texas—let alone Sioux county.
