Best Line to the East.

The Burlington Route B. & M. R. R. is running elegantly equipped passenger trains without change from Newcastle, Wyoming and Crawford, Nebraska, direct to Lincoln, Nebraska, making connection at that point with their own through trains for Denver, Cheyenne, and all points west, and for Kansas City, St. Joseph, St. Louis, Omaha, Peoria, Chicago, and all points east.

Remember this is the only line by which you can take sleeping car from Crawford in the evening arriving in Lincoln and Omaha the next afternoon, and in Chicago, Peoria and St. Louis the following morning.

For further information and tickets apply to nearest agent of Burlington Route B. & M. R. R.

We're After You.

The greatest of western papers, the *Weekly State Journal*, is determined to double its circulation this fall. To do this the paper has been enlarged to twelve pages every week; new departments added, and every column freshened and brightened by crisp and original ideas. The *Journal* is the true and able exponent of western enterprise and thought. It has grown apace with the progress of of our commonwealth and stands to-day at the head of western newspapers, equalled by few and excelled by none.

This will be an exceptional fall and winter for reading. Every man who thinks for himself and wants his boys and girls to do the same, should have the *Weekly Journal* in his family. Write for a sample. You need only to see the paper to appreciate it. Send twenty-five cents for a three months' trial subscription. You will then become a regular reader. Eighty-five per cent of trial subscribers stick. That's a good record. Published at the state capitol the *Journal* is more in touch with the great masses of the people, and the questions that agitate the hour, than any of its competitors. Don't forget to send for a sample paper. We want you to see one. The paper itself will do the rest. One dollar per year. Address, *Weekly State Journal*, Lincoln, Neb.

A Liberal Proposition.

Who has not heard of that paragon of of family papers, the enterprising and popular *Weekly Detroit Free Press*? For a generation its name has become a household word and it has become a synonym for all that is excellent, pure and elevating in journalism. It is delightfully entertaining without resort to cheap sensationalism, instructive without being prosy or pedantic. Combining the literary quantities of the expensive magizine with the bright, breezy characteristics of the newspaper, it leaves nothing to be desired by the average reader. It is looked upon as a welcome visitor by every family who reads it, while thousands regard it as indispensable and would on no account go without it. An enormous circulation of 125,000 copies per week attests its wonderful popularity. Recognizing the fact that there are those who are unfamiliar with its unsurpassing merits as home paper, the publishers offer to send *The Free Press* to them for the balance of the year (over five months) for only 30 cents—a club of *four* for $1.00 or a club of *ten* for $2.00. All our readers should subscribe at once. Send for sample copy.

Boils and Pimples

Are nature's efforts to eliminate poison from the blood. This result may be accomplished much more effectually, as well as agreeably, through the proper excretory channels, by the use of Ayer's Sarsaparilla.

"For several years I was troubled with boils and carbuncles. In casting about for a remedy, it occurred to me that Ayer's Sarsaparilla had been used in my father's family, with excellent success, and I thought that what was good for the father would also be good for the son. Three or four bottles of this medicine entirely cured me, and I have not since—in more than two years—had a boil, pimple, or any other eruptive trouble. I can conscientiously speak in the highest terms of Ayer's Sarsaparilla, and many years' experience in the drug business enables me to speak intelligently."—C. M. Hatfield, Farmland, Ind.
