"August Flower"

There is a gentle-
man at Malden-on-
the-Hudson, N. Y.,
named Captain A. G. Paris, who
has written us a letter in which it
is evident that he has made up his
mind concerning some things, and
this is what he says:

I have used your preparation
called August Flower in my family
for seven or eight years. It is con-
stantly in my house, and we consider
it the best remedy for Indigestion,
and Constipation we
have ever used or
known. My wife is
troubled with Dyspepsia, and at
times suffers very much after eating.
The August Flower, however, re-
lieves the difficulty. My wife fre-
quently says to me when I am going
to town, 'We are out
of August Flower,
and I think you had
better get another bottle.' I am also
troubled with Indigestion, and when-
ever I am, I take one or two tea-
spoonfuls before eating, for a day or
two, and all trouble is removed."

Dyspepsia is the bane of the present
generation. It is its cure and its attendant,
sick headache, constipation and piles, that

Tutt's Pills

have become so famous. They act gently
on the digestive organs, giving them tone
and vigor without griping or nausea. 25c.

ferer who will send me their Express and P.O. address.
