THE WANTED JUSTICE.

Like Many Others, Want to be Wrong Place for It. The closing minutes of the court of general term in St. Louis Republic, a pale, grooved face might have been pressed against the glass panel of the court-house yesterday.

For ten minutes she stared at the woman, hesitating between inclination. Meantime court officers and loungers went quickly all the woman held her place at the woman, addressed a word or two to her, opening the door for her to see the judge, Mr. Brent.

"I see him, then?" "I don't know, sir. It was not for the April term, and it should come up in April, you know, and they tell me it's put over to October. My God! I can't wait; I can't get an attorney?"

"I had Mr. Blank first and he left the money I had, \$18, and then when I got Judge — and he told me he had never any money, and he told me he had never any money, and he told me he had never any money."

"I thought there was justice in it," sobbed the woman, as she went into the court-room.

NE Missed the Opportunity! DON'T Miss Yours, Reader. The money neglect their opportunity. Harvesting season is low for money, as they look back on that, however, opportunity. Life is passing! Seize it! Buy up and down. Improve your opportunity, and secure prosperity, prominence, peace. It was said by a philosopher, that "the Goddess of Fortune opens a golden opportunity to each person at some period of life; and the chance, and the power to seize it, fall to do or not to do, depends on the individual."
