Beans—per do.....	45
Coal—per ton.....	4.50
Wood—per cord.....	3.50
Lumber—native—per m. ft.....	15.00

—Hides bought at the harness shop.  
—Go to Turner's to buy your boots, shoes and overshoes.  
—Old papers for sale at THE JOURNAL office. 5 cents per dozen.  
—Don't scratch—your paper, but buy a chemical eraser of B. F. Thomas.  
—Go to Turners to do your trading and save 10 to 20 cents on the dollar.  
—Highest market prices paid for wheat.  
—If you want to sell your land, list it with Simmons & Smiley, real estate agents.  
—Happy and content is a home with "The Rochester," a lamp with the light of the morning. Catalogues, write Rochester Lamp Co., New York.  
—Do you want to rent your farm? Put it in the hands of the real estate firm of Simmons & Smiley.  
—A transfer of the farm implement business has been made from Griswold & Marsteller to G. W. Hester & Son.  
—A "witch party" was given at the home of G. W. Hester on Monday evening. Great sport is reported by those who attended.  
—A good crowd attended Richstein's sale last Saturday. The bidding was spirited and good prices were realized for almost everything.  
—T. B. Snyder was up from Sheep Creek precinct the first of the week. He steps very high because he has recently become grandpa.  
—Pursuant to the new law providing for a recount of the vote cast at the last election, County Clerk Lindeman shipped the election returns to the secretary of state the first of the week.  
—The weather service sent word on Monday that the mercury would fall to 30° below zero before Tuesday morning. That department evidently does not know anything of the kind of weather enjoyed by Sioux county, for the coldest it got was 6 degrees below zero.  
—Last Thursday it tried to be stormy but made a poor stagger at it. Monday a second attempt was made with somewhat better success, but it only lasted during the one day, and then came off clear and pleasant. Sioux county beats the world for nice weather.  
—On Tuesday night a number of people felt a shock and some heard a rumbling and the conclusion has been arrived at that it was an earthquake. It was not so severe here as it was nearer the Black Hills where it likely originated. That is another proof that northwest Nebraska is in the banana belt.  
—THE JOURNAL is informed that the special train for the Seward colony is arranged for and will have a coach attached for the families of the new settlers. The number of cars or the exact date on which it will start has not been learned. The train will come on the F. E. & M. V. and the company has promised to decorate the train that all may know that it is loaded with people and goods coming to Sioux county.  
—The band ball on Tuesday evening was quite well attended and a good time had. The number of maskers was not so large as on former occasions but the quality of the costumes excelled any ever worn in the town. The gentleman's prize was awarded to W. L. Hoyt, and the lady's prize was given to a lady who was costumed in SIOUX COUNTY JOURNAL, but as she left the hall before removing her mask, her identity is a matter of conjecture.  
—Mrs. L. J. Simmons received word a few days ago that her father had been hurt near his home at Warrensburg, Mo. The wagon was out of the freight train and she was unconscious and one of the wheels of the wagon was lying on his head. Although pretty badly out and bruised he was doing as well as could be expected at last accounts.

### PERSONAL.

J. E. Cook returned from Crawford Friday.  
Commissioner Knott was in town Friday.  
W. S. Johnson was up from Glen Friday.  
I. Richstein went to Chadron Monday evening.  
Mr. and Mrs. C. F. Coffee were in town Saturday.  
Arthur Green was up from Agate Springs Friday.  
Charles Schilt contributed of subscription the first of the week.  
G. H. Turner left Saturday evening on a business trip to Omaha.  
E. J. Wilcox was in town Friday, the first time since he got hurt by a runaway.  
M. A. Ragland sends cash and orders THE JOURNAL sent to his home in South Dakota.  
Mrs. Thomas, mother of Surveyor Thomas, arrived from Colorado last Friday evening.  
Frank Stastny sent us a remittance from Wisconsin last week to apply on his subscription.  
O. A. Garten has been laid up with an attack of bilious fever, but is now able to attend to business.  
C. E. Verity was at Montrose the first of the week taking testimony in final proof cases as U. S. court commissioner.  
Martin Reidy and his sister, Miss Maggie, who have been the guests of Sheriff Reidy for a couple of weeks, leave for their home in Iowa this evening.  
—Turner wants your butter and eggs.  
—Hidden Barbed Wire \$0.75 at Turners.  
—Word was received yesterday from G. W. Stevens that he started the first of the week from Illinois with a car-load of stock.  
—It is reported that I. Richstein has rented the Waller building and will open a stock of McKeehan's rheumatism cure in the near future.  
—As I expect to remove my shop in about thirty days, those having shoes to be repaired had better bring them in as soon as possible. J. W. SMITH.  
—We learn that Rev. Chas. E. Snavely who has been in charge of the Episcopal church work in this section for some time will, after March 1st, be in charge of the church work on Pine Ridge reservation.  
—The seven-year-old child of Mr. and Mrs. Lewis Gerlach died on Tuesday. The little one has been afflicted for a long time with some nervous trouble and has suffered much. The funeral occurs at the cemetery south of town today at 11 o'clock. Rev. W. O. Glasner will officiate.  
—Last Friday the farm house of P. B. Bigelow, northwest of town was destroyed by fire, all the contents being burned except a little bedding. Mr. Bigelow had gone to the timber about half a mile from the house and his wife did not discover the fire until it was under good headway. The loss was about \$400 with no insurance, and falls heavily on Mr. Bigelow.  
—New settlers are already beginning to arrive. On last Saturday Peter Hamm and Edward Haldorf landed with a car load of goods from Cass county, Iowa. The former has filed on a quarter section a few miles north of town and the latter will not likely be long in finding a place to suit him. They are both young men and will help to build up the country.  
—Some one attempted to gain an entrance to the store of Griswold & Marsteller on Tuesday night. A pane of glass in one the front doors was broken so as to enable to would-be burglar to reach the spring lock with which it was fastened, but J. W. Scott happened to come out of his restaurant about that time and heard the crash and saw a man run around the corner of the building, and while he is not in a position to prove who the fellow was, he is satisfied as to his identity. If such things are to be done in this community people had better be on their guard and if possible bring the culprit to justice.  
—G. W. Hester started last evening for Iowa to tell people of the advantages of Sioux county. He will visit a number of places where he has acquaintances and will be absent some weeks. Mr. Hester has been successful in farming every year since he has been here and actual results will be all he will need to tell of to convince people of the fact that Sioux county is a good place to come to. He will have a good supply of advertising matter to help him in the work. It is rather late in the season to get many new settlers for this spring, for most farmers have made plans for the coming season, but the result of his efforts should be manifest in the fall.

### LIST OF LANDS

#### —IN— SIOUX COUNTY, NEBR.

#### —FOR— Sale or Trade.

1. For sale or trade for stock a quarter section of good land located five miles from Harrison. Part good farm land; the balance good timber and grazing land with good stream of running water with some other improvements; also a good mill site on the land. Address B care JOURNAL.

22. \$600 cash will secure a clear deed to 180 acres of land, 100 acres level; running water, timber, 30 acres under plow, one-half mile from school. SIMMONS & SMILEY.

### Nothing Else Like It.

When the publishers decided to issue the *Journal* twice a week at the same price of the old weeklies, \$1.00 per year they struck just what the public wanted—something between the old-fashioned weekly and the high-priced daily. The success of the *Semi-Weekly Journal* has been immediate and continued. It has distanced every one of its once-a-week rivals. It doesn't take long to convince people that a good live paper every Tuesday and Friday is better than only one a week, especially when you appeal to their pocket books, and give it to them at the same price. Readers will testify that it is almost as good as a daily. Its markets twice a week are worth the money. Four complete novels each year by "The Duchess," Miss Braddon, and other widely known authors, alone are worth the dollar. Its legislative news is its strong point just now. It is wide-awake, spends money for news, and is always in the lead. You can see its superiority over the old-fashioned weekly. Everyone who subscribes now gets a Seaside Library free. This offer won't hold good always. One of our big offers is the *Semi-Weekly Journal* and *Weekly New York Tribune*, both one year for \$1.25. Regular price of *Tribune* is \$1.00. Our great premium, *History of the United States*, Stanley Book, or *Life of Spurgeon*, prepaid, and the *Journal*, \$1.40. Either book is worth \$1.50 alone. Your choice of these books and the *Tribune* and *Journal* a year for only \$1.65. What a combination of reading matter! If you send us your own and another new name, we will send you either of the above books free. Subscribe now and get 104 papers a year, which is less than one cent per copy. Address
