—The recent snow added to the beauty of the ground.

—The board of county commissioners will meet tomorrow.

—District court will convene on next Monday. Judge Kinkead will preside.

—It is reported that Ed Hough is becoming quite famous as a cake baker.

—The game club met at the court house last Friday night and spent a very pleasant evening.

—A jolly time was had at the meeting of the whist club at Mr. and Mrs. W. B. Wright's, Tuesday evening.

—Mrs. J. L. Simons expects to return to Sioux county in a few weeks. As business is dull Mr. Simons will not return at present.

—The dancing club will meet at the court house on Friday evening, April 19, as per adjournment.

W. B. Whittart, Pres.

—The storm the last of the week was much worse west of here. The train on Saturday turned at Lusk and the one at Casper made no attempt to get east.

—William Bradley who has lived near Rawlnd, Wyo., for a number of years, left the first of the week for Missouri where he will make his home in future. His family will follow in a few days.

—W. H. Bousell has completely recovered from the injuries received from being kicked by a horse. He left for his ranch in Wyoming on Wednesday, expecting to return in a few days.

—Rev. E. D. Irvine was in Harrison on Monday looking after the interests of his parishioners here. He but recently returned from a visit to Ohio and thinks no less of Northwest Nebraska as a result.

—It is reported that in the valley it rained enough the last of the week to wet the ground to a depth of several inches before it changed to snow. That puts the ground in good condition to receive the seed for a good crop.

—The storm predicted for the last of March got here about three days late and lacked a good deal of being as severe as was predicted. For a little time Saturday it was not very pleasant, but at no time could it have been called a severe storm.

—STRAYED—One dark brown or black filly, coming three year old, branded 7 cross bar on left cheek. A liberal reward will be paid for information leading to her recovery.

W. S. JOHNSON, Glen, Neb.

—The rapidity with which crumple-velopes calls for instant treatment and yet few households are prepared for its visits. An admirable remedy for this disease is Ayer's Cherry Pectoral. It has saved hundreds of lives and should be in every home where there are young children.

—The little son of Mr. and Mrs. E. Rohwer, about eighteen months old, slipped as he was walking a few days ago and strained himself quite severely. He had just about recovered from the effects of the mishap when he again fell and got a repetition of the injury. It is hoped that he will soon recover.

—Last Monday night Misses Louise and Claudia Hester gave an "April Fool" party at their home and a very pleasant time was spent, as is always the case. Misses Louise and Claudia acted as hostesses. Those invited were Messrs. Gerlach, Wurts, Van Boskerk, Bousell, and Messrs. Churchill, Blewett, Marsteller, Fisher, Bousell, and Pontius.

—The matter of seed and feed for the farmers made it necessary for the county to organize under the law. The necessary committee was selected and is composed of the following persons: Frank Tinkham, chairman, John Marsteller, D. H. Griswold, J. E. Phinney, Lewis Gerlach, M. J. Walter, B. F. Johnson, and M. J. Blewett, secretary. As soon as any action is taken by the state commission, due notice will be given.

—When a man finds out that it pays to keep nothing but the best in one line he proceeds to carry out the rule in other lines. J. W. Ernest has been improving his cattle for some years and found that it paid, so he determined to have the best of everything. Last week he got a pair of fine chickens when down the road. The storm of Saturday caught Wilkes and his chickens in town and on Sunday when he went to care for his pets he found three eggs in the box. Desiring to increase his flock as rapidly as possible he packed the eggs carefully in sawdust. Later in the day he visited the fowls again and found still more eggs and he thought he had a bonanza in the way of egg producers, but after a little it dawned on him that the boys had a hand in the deal.

PERSONAL

—Ed W. Lam returned Tuesday from his trip to Steward county.

—Mrs. Lam left for her home at Union City, Miss. Monday evening.

—The funeral of the late Mrs. M. J. Smith was held at the residence of Mr. and Mrs. W. C. Williams, west of Chadron, on Thursday, April 1, 1895.

—Joseph Addison was here from the north part of the county, Thursday, and called at this office.

—The road through town from Chadron to Rawlnd is being driven by George H. Button.

—The above event was a surprise to all, as the contracting parties had contemplated such a course for some yet they did not decide on the exact date until the day before the ceremony.

The wedding was very quiet, one hundred relatives of the bride and a few friends being present. The service was the pretty and impressive one of the Episcopal church, after which the party sat down to the wedding dinner which was waiting.

The groom is known to comparatively few of the people of this locality being engaged in farming and stock raising near Masland, Dawes county, where he is esteemed and respected by all.

The bride is well known here, having been a resident of this place for five years, during which she has been recognized as one of the foremost teachers of Sioux county, and she has many friends who will unite in wishing the newly wedded pair a long and prosperous journey over the sea of matrimony, and in the wish THE JOURNAL most heartily joins.

Correspondence.

Hobart, Neb., March 26, 1895.

The farmers are all wearing broad smiles around here all on account of the rain and six inches of snow that fell between Friday and Monday morning.

Henry Wertz is building a frame house, 20 by 24 feet for Ernest Brings.

A young son made his arrival at the home of Charles Plympton last week.

McRichard came down from Edgemont last Saturday after a spurt of horses for Jack Pfost.

Two young men from Harris have rented June Smith's homestead for this year.

Bob Richard, Elmer Grimm and Fred Tomshold went to Edgemont last week.

Jack Kessler has got back home after an absence of several months.

—A good many are getting quite anxious to know what is going to be done about sugar beets. Nothing definite can be learned in regard to the matter and the season is at hand when the farmers must know what they can depend on. The delay is very unpleasant.

—Bids have been asked for from windmill men for pumping the water supply for the town. With the proper arrangements quite a saving can be made and it is the interest of all that the town affairs be conducted as economically as possible. Bids will also be received for pumping the water by steam so that the board may choose what seems to be the best.

—The village election on Tuesday was the most quiet affair of the kind in the history of the place. But one ticket was up and only a few votes were cast. The result was the election of M. J. Blewett, W. B. Marsteller, D. H. Griswold, Egbert Rohwer and J. W. Scott, all of whom have served for the past year except W. B. Marsteller. A majority of the board are in favor of a licensed saloon so that there will be no occasion for any boot-legging.

—The editor of THE JOURNAL has been on the sick list for the past week and as a result his better half has been business manager, job printer, compositor and devil, and has demonstrated the fact that she was equal to the emergency. A successful railroad man once said that "many men who do not amount to much get along pretty well because they were fortunate in having good wives to help them." If there is anything about THE JOURNAL deserving of credit just bear the above in mind and give credit where it is due.

AYER'S Cherry Pectoral SAVED HIS LIFE

So says Mr. T. M. Reed, a highly-respected Merchant of Middletown, Ill., of a Young Man who was supposed to be in Consumption.

"One of my customers, some years ago, had a son who had all the symptoms of consumption. The usual medicine afforded him no relief, and he steadily failed until he was unable to leave his bed. His mother applied to me for some remedy and I recommended Ayer's Cherry Pectoral. The young man took it according to directions, and soon began to improve, until he became well and strong."—T. M. Reed, Middletown, Ill.

"Some time ago, I caught a severe cold, my throat and lungs were badly inflamed, and I had a terrible cough. It was supposed that I was a victim of consumption, and my friends had little hope of recovery. But I bought a bottle of Ayer's Cherry Pectoral, took it, and was entirely cured. No doubt, it saved my life."—I. JONES, Emerts Cove, Tenn.
