The latest reports from the dry land potatoe fields are for a yield of not more than twenty-five bushels per acre where seventy-five to one hundred bushels were expected. It Was Loaded.

A distressing casualty occurred last Thursday evening at the home of John Plunkett, a few miles northwest of town. Martin, the twelve-year-old daughter of Gustav Norriesch, went to the Plunkett residence on an errand.

Neither of the parents being at home she sat with the children. The older boy went to milk and the girl went out and climbed on the fence to watch him. John, the seven-year-old son of the Plunkett family got his father's rifle and discharged it when a short distance from the girl. The ball entered her back a little to the right of the spinal column and went out at the right shoulder. She made no outcry but after telling the boys that she was shot started to walk home. She got as far as C. E. Schilt's house and was about to fall when he caught her. She was taken home and Dr. Phinney sent for who gave what medical aid can be given in such cases and she is now on a fair way to recovery. The affair ought to cause parents to be more careful about allowing children to handle firearms.

School Report.

Report of school district No. 26, for month ending Sept. 27, 1893. No. of days taught 29. No. of pupils enrolled 14. Average attendance 12. MYRTLE ZIMMERMAN, Teacher.

Surprised.

On the evening of Tuesday October 1st the people of Harrison gathered at the church about 8 o'clock to the number of 60 or 70 when they sent for the pastor and his family. He was very much surprised to see so many people desirous of pounding him. Well they did pound and that in good shape until he began to beg—beg them each one to be his helper during this conference year, by the grace of God, to remove the loneliness, sadness and bitterness of sin from some heart. Mrs. Guthrie presided at the organ while a number of choice hymns were sung. The company dispersed about 9:30 and the parson found himself the better off in groceries and cash by \$11.60 for which I am very thankful. D. J. CLARK.
