Republican State Convention.

The republican electors of the state of Ne trasks are requested to send delegates from their several counties to meet in convention tion to be held in the city of St. Louis, Mis-

THE APPORTIONMENT. The several countles are entitled to represcutation as follows, the apportionment be choose from. ing based upon the vote cast for Hon, Joseph S. Bartley for state tremsurer, in 18 s, giving each county one delegate at large and one for each 100 votes and major fraction ing a very serious question. With a

but they found that the time had past point to insure success. Such a course eal to swallow a dose fixed up would arouse the republicans of the west old-be dictators was grounds suf- to new efforts and bring back many wanest for such drastic measures. derers to the republican fold.

What the country needs is an appropriation of a good round sum for carrying out the objects of the irrigation survey in this state in which every man woman and child in the state has an interest. - Ni branku Farmer.

Within the past few weeks Senator Allen has addressed the body of which he is amember in a manner which elicted respectful interest. The subjects were not of a partisan nature which may in part account for it. Every Nebraskan, regardless of party, would regret to hear of his repeating the performances which, gave him much notoriety.

There noon, and to transact such other business as will be no occusion for the republicans may properly come before the convention. to nominate other than a good man with the field of candida es they have to

> The future of Nevada is becomvery small and decreasing population. s atchood is a great burden to the people and the character of the soil and chmate is not such as to justify the belief that there will be any immediate rush to that commonwealth. It is becoming more and more apparent that it is just a "strip of land between two states."

> The plan of holding a west Nebraska fair at Sidney is being orged. It might be a good thing, but the difficulty in getting there would be a great drawback to the enterprise. In such things the railroads are an important factor and asthey are constructed it is easier for perple to go from most points in western Nebrasko, except those along the line of the U. P. railroad, to Omaha or Lincoln than to get to Sidney. If a railroad crossed the western part of the state from north to south it would be a great help to the undertaking.

A move is being made for an industrial congress to be held at Kearney in the spring or early summer to discuss means and measures to advance the weifare of the state. It is suggested that It is recommended that no proxies he ad- Nebraska may pattern after Utah in the mitted to the convention and that the dele- matter of co-operation and the fostering of home industries. That is true, but is much harder to bring about in a state like Nebraska than in a community conditioned as the people of Utah were at the time when those principles were inculcated. But be that as it may, an in-Prohibition national convention, at Pitts dustrial congress would be a good

A few days ago the senate, by nearly unanimous vote, passed a concurrent Populist national convention, St. Louis, resolution that the belligerant rights of Cana be recognized by the United States. When news of the action reached Spain the people of that country became wild rare. At Barcelons the stars and Seventy thousand republican majority stripes were dragged through the streets i in Philadelphia is a pretty good start for and then toro into shrews, and the resitacked and stoned, the coat of arms of The Nebraska club and the trans-Mis- the United States being demolished. Of si cissippi exposition will do much to win course the Spanish government did not authorities did what they could to stop it, but such grave indignity is not likely The Alliance Gaid: has entered upon to be allowed to pass by this governt the ninth year of its existence. Long ment. It seems more probable than struggle. The Spanish government at once called on the representative of the The prospects for a sugar factory at United States and expressed deep regret is more than likely that before this time the president has attached his name to The Caster County Republican is of the document. It is hardly likely that

space to urging that the republican nommee for governor be selected from the The feeling all over the state seems to western part of the state, and that it is t be very kindly toward Gen. Manderson doing so in good faith and not in the in- CALL AND SEE. i in the matter of his presidential aspira- terest of a favorite aspirant is evidenced 1 tions, but many of his warmest friends by the fact that a number of good men : are handicapped by the position which are suggested, among whom are A.
