W. H. Woodward of Letcher S. Dak. passed through here last Tuesday evening from Denver Colo. back to his home in S. Dak. Mr. Woodward started from Clarinda Ia. on his bicycle six weeks ago and made the trip to Denver and back this far without riding on a car or wagon and he expects to complete his journey the rest of the way on his wheel. We were glad to meet Mr. Woodward as he came from near our old home in S. Dakota, we were acquainted with many of his friends.

Last Friday a man came into town from some place no body knows where; he was ragged and dirty and he had more the appearance of being crazy than a sane man. He left here some time during the same day and was not heard of until Monday when he showed up at Frank Nupto's down in Sowbelly. He scared Mrs. Nupto so badly by his actions that she was in bed all day Monday as a result. He went to different houses in the canyon and displayed the same strange appearance. Some parties from that neighborhood claimed he was carrying around in a sack an old cow's head with the horns on and acting singular in different ways. He showed up in Harrison again on Monday afternoon and in the evening some of the boys paid his fare on the cars to Crawford, fearing that if he staid in town over night he might set the town on fire. Such a man if demented ought to be taken care of instead of being permitted to roam about the country.

Perry White complains that the bridges down Sowbelly canyon are in such a condition that it is impossible to cross them with a load. The voters of Sioux county ought to read "Nebraska Redeemed" and find out what the reform forces have done in that line it would certainly open their eyes. The JOURNAL hopes however, that the best wishes of the Harrison people will go with her to her home.

What You Can See.

One day's drive over Sioux county will show you such a variety of scenery and conditions as no other place or country on earth can equal. Rolling prairies as far as the eye can reach with here and there meadow lands great racks of hay alternated by sand hills and bad land buttes. The grinding ledge and stupendous hills; and mountains covered with beautiful trees; and laughing along the rocky beds crystal streams of purest water with fertile valleys fringed with variegated foliage of a great variety of trees and vines—You can see the abandoned dug-out and the forsaken "shack" the lordly mansion full of home comforts, surrounded by a beautiful harvest, a field over grown and crops choked out by weeds, and just on the other side of a wire fence a field of corn bearing 40 bushels to the acre. You can see where no attempt has been made at improvements and again, sweet home and bushels of apples and wagon loads of wild fruit. You can see fifty persons who do not intend to go to Kansas to one who does. You can see those who expect to live and die right here, and some who don't. You can see some who are reasonably wise and a great many who are unreasonably otherwise. Hippo-Bike.

How To Find Out

Fill a bottle or common glass with urine and let it stand twenty-four hours, a sediment or settling indicates an unhealthy condition of the kidneys. When urine stains linen it is evidence of kidney trouble. Too frequent desire to urinate or pain in the back, is also convincing proof that the kidneys and bladder are out of order.

What To Do.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp Root, the great kidney remedy, fulfills every wish in relieving pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold urine and scalding pain in passing it, or had effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to get up many times during the night to urinate. The mild and extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists, price fifty cents and one dollar. You may have a sample bottle and pamphlet both sent free by mail. Mention THE SIOUX COUNTY JOURNAL and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The proprietors of this paper guarantee the genuineness of this offer.
