The coal miners who were officially murdered in Pennsylvania the other day are called ignorant foreigners by the capitalistic press. They were intelligent enough to demand living wages and refuse to become the willing slaves of their taskmaster. For this they were brutally assassinated according to the law of federal courts.—N. Chronicle.

Mr. McKinley exhorts the Ohio Sunday school boys to be virtuous and moral. He does not explain to them that it is virtuous and moral to appoint a disreputable New Orleans negro divekeeper to high office as payment for that dissolute person's services bribing delegates to support the candidacy of an Ohio church member but that is what Mr. McKinley's public record means.

Call Eugene Debs an extremist or what you will; but in his condemnation of the wholesale murder of miners by sheriff's deputies in Pennsylvania, he expresses a truth with courage from which we cannot withold our admiration. Speaking of the poor Poles, he said: "Hungry and footsores, their wives and children in rags, they were patient to a degree that excited universal wonder, and yet, as if to mock God, outrage humanity and shock all christendom they were shot dead in the streets as if they were so many rabid dogs."
N. W. Catholic.

In the Northwestern Press of the 2nd inst editor Davis comes back at the JOURNAL because we took him to task in regard to an article which charged the Democrats getting all the best offices in the political alliance a week ago last Saturday.

For the benefit of Bro Davis we have this to say no body is inclined to find any fault but the Republican party or at least those who are most interested in causing discord in the fusion ranks for their own political agrandizement or those who doubtless are better gold republicans than they are fusionists.

No Bro. Davis you are anxious to raise disention in the fusion ranks if possible. In our opinion it would be to your lasting credit to go ahead and make an honorable canvas for your self and the gold standard party which you have espoused. People who live in glass houses ought not throw stones. Wonder if Bros. Davis would take a Democrats vote? Oh horrors no! surely not.

### Our Trip to the Fort.

Through the curtsy of Dr. Phinney ye scribe had the plasure of accompanying him to Ft. Robinson last Saturday on official business, he being the County Coroner, to hold an inquest over the body of a negro soldier, who had been murdered two and one miles west of the fort on the night of the first. At 9 o'clock Sunday morning the jury repaired to the place where the murder was commited and listened to testimony of the witnesses interested in the murder pro and con, then the jury repaired to Ft. ### How To Find Out

Fill a bottle or common glass with urine and let it stand twenty-four hours, a sediment or settling indicates an unhealthy condition of the kidneys. When urine stains linen it is evidence of kidney trouble. Too frequent desire to urinate or pain in the back, is also convincing proof that the kidneys and blader are out of order.

### What To Do.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp Root, the great kidney remedy fulfills every wish in relieving pain in the back, kidneys, liver, bladder and every part of the urinary passages. It corrects inability to hold urine and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to get up many times during the night to urinate. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists, price fifty cents and one dollar. You may have a sample bottle and pamphlet both sent free by mail. Mention THE SIOUX COUNTY JOURNAL and send your address to Dr. Kilmer & Co., Binghampton, N. Y. The proprietors of this paper guarantee the genuineness of this offer.

THE NEW WAY.

WOMEN used to think "female diseases" could only be treated after "local examinations" by physicians. Dread of such treatment kept thousands of modest women silent about their suffering. The introduction of Wine of Cardui has now demonstrated that nine-tenths of all the cases of menstrual disorders do not require a physician's attention at all. The simple, pure

McELREE'S Wine of Cardui

taken in the privacy of a woman's own home insures quick relief and speedy cure. Women need not hesitate now. Wine of Cardui requires no humiliating examinations for its adoption. It cures any disease that comes under the head of "female troubles"—disordered menses, falling of the womb, "whites," change of life. It makes women beautiful by making them well. It keeps them young by keeping them healthy. $1.00 at the drug store.

For advice in cases requiring special directions, address, giving symptoms, the "Ladies' Advisory Department," The Chattanooga Medicine Co., Chattanooga, Tenn.

W. I. ADDISON, M.D., Cary, Miss., says: "I use Wine of Cardui extensively in my practice and find it a most excellent preparation for female troubles."
