Mrs. Kruger and Mrs. Garton made The three children of Mr. Eggert a trip to the county sent Tuesday of this ECHO.

White River Breezes. Miss Edith Davenport has been ap pointed assistant Postmaster at Glen. Emery Gilmore is moving his family

n his claim south of Glen. Mr. L. W Fry of Missouri Valley, Io., is a guest of L S. McIntosh; we did not learn how long he will stay. The people of Glen expect to have a

Xmas tree on Christmas eve. Miss Grace Puckly will go to Alliance the last of this week; she expects to at-

tend school there the coming winter. Mr. Joseph Decker came back to his old home from Colorado last week we learn that his family will remain here rado soon.

Mr. J. Stimson is ceiling his house preparatory for the coming gold weather; we think he is wise especially if the present cold wave continues all winter.

WOMAN'S COLUMN.

Edited by . . Mrs. Geo. D. Canon Short articles from the latter of Stout county are solicited.

Character.

The way in which the small letter "t' is barred is also a good indication of the stock of christman presents. No better kind of will a person possesses. Should display could be found in Chadron or for this bar be neatly made and of moderate tnickness throughout a consistent steady will is signified. A long stroke over the letter on both sides with a kind of sloping movement upwyrds gives a certain amount of will power but wholly without persistence. An obstinate, dogged -Bert Hamlin and Hill Shatto were turn, makes a thick, short, steady bar down from Pleasant Ridge last Tuesday. hearly at the top of the .,t," and if this Burt brought in a load of wheat which bar should also have a small crook at he sold to Marsteller Bros. for 65c per the end, the despotism will be intensi-

-Have you heard the merry gingle of When there is a looped bar instead of a 6 - sleigh talls? You g and old have for straight one over the letter, it is said to essary to state that total absence of burs -William Souther foremest for the to the "t" would mean an absence of Platte & Farriss stock ranch at Clear- will power altogether, a state of things

hard of volition or will power; it remore angular than rounded.

-The Wordmen of the World society indolence, the opposite extreme of ener-Hall on Saturday evening, Dec. 4. Be- characteristics. A rounded inert kind of sides oysters; baked chicken and ham, handwriting would take the place of the person. When indolence proceeds from ill health or depression of spirits, the lines of writing will droop downward.

The sign typical of ambition in a handwriting is its constantly ascendant movement. Anient and energetic people write in this way also, but ambitious ones sour far above them especially in

their signatures. When pride accompanies ambition (and t usually does) the capital letters will become inflated and tall. This latter sign, without the mounting movement of the writing, is the type of the proud person without either energy or ambition

common customer enough. Vanity and egotism come naturally in the same category as pride; they are evidenced by flourishes to the capital let-

of the hair were regarded as infailible rigns of a person's pature, and if these signs were unestipfactor, that person's locks had to be in some way altered for Beauty," which was published in Paris in the year 1868. For instance we learn that "fine, silky, and supple hair" is the mark of a "delicate and sessitive temperament " Again, heir that is "curfy and crisp" without artificial personation betrays a "dangerous clevergas." a " brilliast mahaces," which may be trusted to lead to trouble nine times out of ten. Further white bair-presumably when it is promature—is the the sure sign of a "a lymphatic and indolest countitution." Not one whit better is" hareb, upright hair." which shows a" reticent and sour spirit." Perhaps, however, the worst met of all is" flat, clinging, straight hair"
