MICHAEL BRUCK. Proprietor.

It is impossible to promise particular features that will appear in the "AMERICAN MONTHLY" during the coming year, for it is, as Ce Bookman says, " a great monthly newspaper." As such, it prints for its readers an illustrated account of the notable things which make the history of

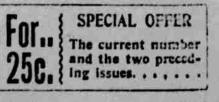

country or in Europe, which combines so as the fully as the Asternican Montrety the aleriness, timeliness and energy of Journalism with the sound judyment corefully weighed opinion, exact his windge and weighessen English of the purely illerary periodical. — The Outbut.

the month, of the political, this We know of no review published, in this | economic, and literary happenings which are of value to intelligent men and women. The Editor's "Progress of the World" tells succinctly an illustrated story of the month. The "Leading Articles"

give the best thought and information of the current magazines in five confinents; the contributed articles furnish the character sketches of the man of the month, and give timely discussions by authorities on any qualiton of immediate serious import.

The result of this comprehensive effort to edit in one monthly volume the information needed by intelligent people of "live" instincts is best gauged ta the opinions which the readers of

the AMERICAN MONTHLY have seen fit to express. These are thinking business men, clergymen, editors, lawyers, professors, engineers, the wide-awake women of America. They write that the MERICAN MONTHLY "is

Indispensable" ; "is simply lovaluable"; "is a generous library in lize"; is "a historical cyclopedia of the world"; "the best means of aid for a bury man"; "the best periodical of the kind we have ever had"; "a triumph of editorial genius "1" the world under a field-glass," etc., etc.
