A map of the

United States

Barlington Route is three feet wide by four long; is printed in seven colors; is mounted on rollers; shows every state, county, important town, and forms a very desirable and efl adjunct to any house-

hold or business establishment. Purchased in large quantities, the maps cost Burlington Route more than difteen cents each, but on receipt of that amount in stamps the undersigned will be pleased to send

J. FRANCIS, Gen'l Paser Agent, Omaha, Neb.

WELL WORTH READING.

Something in This Column That Will Interest Every Body.

Their thoughts are far from mortal life

they never, never sin; They strive to bring to righteousness the very men they skin,

They never go a step astray; they never deign to smile; They sin not, and they only aim to casti

gate the vile. But, oh! why should they count is best with cold and holy arts To rivet sheet iron shields around their

hard and stony hearts? Their ears are deaf enough, God wot, to pleadings and complaints, and so I pray, protect me, Lor,d from these thy modern saints,

O save 'me from the sanctified, the too uncommon good, Who tell us what we shouldn't do and preach us what we should: These saints who squeeze a dollar twice and Wear cheap anreoles;

Will take our children's bread and then attempt to save our souls! Give me instead a worldly man with some healthy stains That show he has the common blood of

mankind in his veins, And heart that swells enough sometimes to overthrow constraints; But in my need, protect me, Lord, from

rel appointed wintsf

The Reublian party advocates two measures: A high protective tariff to keep European products out of the country; a gold standard so that we will have money good in Europe. Now will some brainy Republican please harmonize these two propositions of Republicanism? For what purpose do we need a money that is good in Europe if we intend to have a policy that will not let the Europeans ship their goods into this country? -Mound City (Kan.) Standard.

Prosperity in Alabama. Men in our cotton mills are working for 50 cents a day and boys are receiving 15 cents. Not satisfied with getting work done on these terms, the factory owners lengthened the cut five yards where piece work is done, without lengthening the pay, and in this way have taken from the poor fellows over \$5,000 in the past year!-Phoenix (Ala.) News.

A new Labor Displacer. A pea-shelling machine has been put into a canning factory at Franklinville. N. Y. By the new process three ma- to send them to Washington and ge chines, operated by five to eight persons a day or two last week attending to some "shell as many bushels of peas as a the bond any better security when forhundred hands use to." The new warded by a bank? himself, he now sports a full fledged labor displacer works automatically and beard. Speaking of stock raising, he will be operated by one person after a said he prefered that life to confinment in few improvements have been made.-
