Gillmore Held for Trial

HIS BAIL PLACED AT $2,000

The Preliminary Hearing.

The case of Irving Gilmore held by the state for the felonously—or otherwise as the case may be—for the shooting of Franklin Miler of Glen the evening of Jan 20th, is probably one of the most exciting cases ever tried before his honor Judge Wilson and perhaps in the history of Sioux County. The case opened for trial Tuesday, at two o'clock, with A. G. Fisher of Chadron and A. T. Clark of this place as counsel for the defendant, and County attorney Grant Gutherie representing the state. From the moment Court Convened to the close of the trial the Court room has been crowded with interested spectators, anxious to hear the testimony and learn the final outcome of the the trial.

Mrs. Gillmore wife of the defendant shows a commendable spirit and true devotion as a wife to her husband in this his hour of trial that he is now passing through. Mrs. Gillmore is almost prostrated over the serious trouble which has overtaken her and husband so soon in their married life, and all parties concerned have the sincere sympathy of their neighbors and friends alike.

The preliminary hearing was concluded last evening about 4 o'clock, the Judge holding Mr. Gillmore to appear at the next term of court in the sum of $2,000. Mr. Gillmore at once furnished the required bail and he and his wife departed for their home on the evening passenger. Public opinion was divided as to the out-come of the trial, also as to the guilty or innocence of Mr. Gillmore, whatever that may be the JOURNAL refrains from saying anything that would reflect on either side.
