Pilgrims are beginning to make their  
appearance as spring progresses.

of potatoes up the road yesterday.

turned from their over-land trip the first  
of the week.

their plows and harrows in shape for  
putting in a crop.

H. A. Priddy is nursing a pet on one  
of his hands this week. He is unable to  
do any kind of work.

On last Monday afternoon the pupils  
of our city schools had their photo's taken  
in a group in the open air.

Jane Smith will with this issue of  
the JOURNAL add his name to our daily  
increasing list of subscribers.

Mrs. W. B. Wright, who has been  
visiting friends in Whitney and Chadron  
for a few days returned to her home on  
last Saturday.

Jesse Hall, the head operator at  
the depot has finally got rid of that  
protuberance, which he had on one side of  
his face last week.

Julius Burke who two months ago  
went to Glen Rock to work in the Big  
Muddy coal mine returned home last  
evening.

Judge Hunter says he is a genuine  
bi-metallicist, but not a silverite. Well  
Judge, you will be asking yourself some  
of these days "where am I?"

We now concede our friend August  
Hasselquist was about right two or  
three weeks ago when he said spring had  
come. Hicks ain't in it besides Aug-  
ust.

Sheriff Holly who has been in the  
vicinity of Five Points and Cottonwood  
during the past several days, on official  
business, returned to the city last Mon-  
day afternoon.

Mr. Mills of Hat creek Wyo., came  
down on last Tuesday and concluded an  
agreement with G. W. Hester of this place.  
Mr. Mills has secured some very  
nice yearling stock.

Mrs. J. H. Brown was in Harrison a  
day or two this week, attending to some  
legal matters. She is administratrix,  
having been appointed by the court over  
the five minor children.

At day-light it was snowing and at  
going to press it is still at it with every  
indication of lasting for some time. It  
looks now as if it would be the heaviest  
snow of the season.

As we are about ready to go to press  
Mr. G. W. Hester informs us he has dis-  
posed of the entire 114 head of yearling  
steers and heifers to Jacob Mills of Hat  
creek, Wyo.

Notice—I tan cattle hides and all kind  
of skins with hair for robes, or without

H. OLMERICH, Glen, Neb.  
Ed. O'Connor who has spent the winter  
in our midst, left last Tuesday evening  
for Clearmont, Wyo., where he has been  
employed during the past two seasons,  
by the U. S. Cross company.

Col. John Maher, will be in danger  
of losing his life in some violent way,  
when he comes to Harrison, if another  
article should appear in the JOURNAL  
similar to "Reds of the North-West on  
the warpath."

Mrs. Leslie Crane and little one  
spent last week in town at the home of  
her parents Mr. and Mrs. Sherill and on  
Saturday her better half, being tired of  
single blessedness came in and on Sunday  
took them home.

Mrs. Chat. Unitt, and babe returned  
from Seward, Neb., on last Friday noon.  
Grandpa Unitt accompanied his children  
to Harrison, and we presume papa Chat  
feels at least a foot taller than he did on  
last Thursday evening.

Ex-Judge Hunter of Bodie, was a  
pleasant caller at this office on last Friday,  
we are always glad to have callers  
and as we have a warm spot in our  
hearts for the old soldiers. Judge H.  
among them is always especially welcome.

B. F. Thomas surveyor of Sioux  
county, who has been in Colorado during  
the past several months, attending on  
his brother who died there just recently,  
returned to our fair city on last Tuesday  
evening, and is now ready to take  
up once more the duties of every day  
life, as all life's toils have to, here as  
elsewhere. B. F. looks well, so evidently  
the change was beneficial to him.

We have heard it hinted around town  
within the past two or three weeks  
that merchant Gerlach of this town is  
talked of for representative by not a few  
of the reform forces from this legislative  
district. Whether true or not we cannot  
say, as friend Gerlach is not communica-  
tive on the subject. But however that  
may be, he will—if nominated and elected  
—be a thorn in the side of those who, we may  
undertake to legislate in the interest of  
corporations, monopolists and trusts. The  
error is wisely silent about it.—Public  
Ownership Review.

CHIEF CAUSE.  
Unhealthy urine from unhealthy kidneys  
is the chief cause of bladder trouble.  
So the womb, like the bladder, was  
created for one purpose, and if not doctor-  
ed too much is not liable to weakness or  
disease, except in rare cases. It is situated  
back and very close to the bladder  
therefore any pain, disease or inconven-  
ience manifested in the kidneys, back,  
bladder or urinary passage is often, by  
mistake, attributed to female weakness  
or womb trouble of some sort. The error  
is easily made and may be easily avoided.

To find out correctly, set your urine  
aside
