One of Two Ways. The bladder was created for one purpose, namely, a receptacle for the urine, and as such it is not liable to any form of disease except by one of two ways. The first way is from imperfect action of the kidneys. The second way is from careless local treatment of other diseases. CHIEF CAUSE. Unhealthy urine from unhealthy kidneys is the chief cause of bladder troubles. So the womb, like the bladder, was created for one purpose, and if not doctored too much is not liable to weakness or disease, except in rare cases. It is situated back of and very close to the bladder therefore any pain, disease or inconvenience manifested in the kidneys, back, bladder or urinary passage is often, by mistake, attributed to female weakness or womb trouble of some sort. The error is easily made and may be as easily avoided. To find out correctly, set your urine aside for twenty four hours; a sediment or settling indicates kidney or bladder trouble. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney, and bladder remedy is soon realized. If you need a medicine you should have the best. At druggists fifty cents and one dollar. You may have a sample bottle and pamphlet, both sent free by mail, upon receipt of three two-cent stamps to cover cost of postage on the bottle. Mention the SIOUX COUNTY JOURNAL and send your address to Dr. Kilmer & Co., Binghamton N. Y. The proprietors of this paper guarantee the genuineness of this offer. ANY LADY can get a valuable secret and not \$1.00 and a rubber stamp for 25 cents. Mrs. V. M. APP. CO. 205 FINE STREET, ST. LOUIS, MO. SYPHILIS The worst form of... Dr. J. H. Bartell, Editor and Prop. of the Journal, is the author of this advertisement.
