Mrs. Pinkham Says a Careful Regard for Bodily Health Makes Women Sweet and Attractive to All.

The world is filled with sweet women who are held back from usefulness by ome trouble of the female organs.

Fretfulness and nervousness rapidly destroy sweet dispositions.

Sickly all worn-out women cannot live happy lives. Nearly every woman may be well and happy if she will follow Mrs. Pinkham's advice. e what Mrs. Craig says:

DEAR MRS. PINSHAM:-I have taken Lydia E. Pinkham's Vegetable Compound and think it is the best medicine for women in the world. I was so weak and nervous that I thought I could not live from one day to the next. I had prolapsus uteri and lencorrhora, and thought that

I would die. I had dragging pains in my back, burning sensation down to my feet, and so many miserable feelings. Peo-nie said that Howked like a dead ple said that I looked like a dead ple said that I looked like a dead woman. Doctors tried to cure me, but failed. I had given up when I heard of the Pinkham medicine. I got a bottle. I did medicine. I got a bottle. I did not have much faith in it, but thought I would try it, and it made a new woman of me. I wish I could get every lady in the land to try it, for it did for me what doctors could not do."

Mrs. Sallie Chaig, Baker's Landing, Pa. That Lydia E Pinkham's Vegetable Compound is a safeguard of woman's health is clearly proven by the thousands of letters constantly being received. Here is one from Mrs. W. P. VALENTINE, 566 Ferry Ave., Camden, N. J.:

DEAR MRS. PINKHAM: - Before writing to you I felt very bad, had terrible sick headaches, no appetite, gnawing pain in stomach, pain in my back and right side; was tired and nervous, and so weak I could scarcely stand. I was not able to do anything, had sharp pains all through my body. Before I had taken half a bottle of Lydia E. Pinkham's Vegetable Compound, I found myself improving. I continued its use until I had taken four bottles, and felt so well that I did not need to take any more. I am like a new person."
