Dewey, Sampson, Hobson and crew, and General Shafter, now engaged reducing Santiago are herores who has made history within the past 9 weeks for themselves and their country.

The London press advises Spain to sue for peace at once.

About the next exciting piece of war news we shall hear after the capitulation of Santiago will be a cablegram from Admiral Dewey announcing the fall and capture of Manila.

Following is a comparison for two years of the republican and 17 months of the Demo-pop state Auditors in fees covered into the state treasury:

For 1895-1896 Red	$13,218,12
" 17 months Demo-pop	$66,113,79
Favor of Demo-Pop Administration	$52,895,67

Which administration has administered the affairs of state in the interests of the people? Certainly one must be extremely dull or short of intellect who could not figure out the benefits to be derived by the people from the reform administration over a corrupt republican state rule. Which will you have?

VICTORY

FOR UNCLE SAM'S SOLDIER BOYS.

Playa del Esta Cuba July 3—Siboney office confirms statement that all the Spanish fleet (Cervera's) in Santiago harbor except one vessel is destroyed and burning on the beach.

Signed ALLEN SIGNAL officer.

Same date as above. The Vizcay with Admiral Cerververa on board passed the sunken Merrimac and gained the open sea. The flag ship New York with the Brooklyn both of which are faster than the Vizcay' swung into hot pursuit followed by the Oregon and Indiana. There is only one chance in 100 for Admiral Cervera to make his escape.

Hong Kong July 4th—The American troops reached Manila. General Andersons force of 2600 men arrived safely convoyed by Charleston. On their way across they take possession of the Landrone islands belonging to Spain and left a military force in charge.

WASHINGTON, D. C. July 4 Cervera's fleet now lies at the bottom of the sea, Cervera with 1,600 of his brave marines are prisoners of war as a result of the great naval victory for Sampson and Schley's squadron on July 3. The loss of Spanish marines killed, drowned, and wounded brings total up to over 2,000.

Number of Spanish ships destroyed by our fleet was 7 in all the Cristobal Colon Vizcay, Oquendo Miranto, Infanta Maria Teresa, Mercedes and two torpedo boat distroyers.

In the naval battle of the 3rd off Santiago de Cuba not an American ship was damaged and only one man killed.

Cavite July 1st—The first installment of troops of 2,600 under Gen Anderson arrived at Manilla on the 30th of June. On their way over they captured the Landrone islands and took 54 Spanish prisoners.
