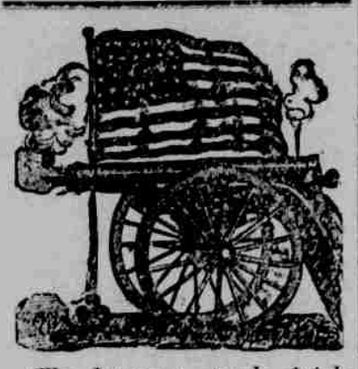
OFFICIAL PAPER OF SIOUX COUNTY.

Geo. D. Canon, - - - Editor.

Entered at the Harrison post office as second class matter.



The JOURNAL *stands fairly and squarely on the Chicago platform, but will not hesitate to support and work for the election of candidates for the various offices to be voted for this fall no matter, whether they are Democrats, Populist or free silver Republicans, if endorsed by all the reform parties, conditional, however, that they advocate bi-metallism the income tax law, opposition to national banks of issue, are opposed to the retirement of the greenbacks and treasury notes, favor government control of railroads, telegraph and telephone lines and the establishment of postal savings banking system, and also are opposed to the issueing of national bonds in time of peace.*

Rev. Wilford Woodruff, president of the morman church died in San Francisco, Sept. 2nd.

Congressman Green and Judge Brown the republican candidate will hold joint debate at Chadron, Sept. 13th.

According to the best authority obtainable the wheat crop of the United States this year is 750,000,000, bushels' or 138,220,000 bushels more this year than last.

The only daily paper in Chicago to support Secretary Alger, in his mismanagement and treatment of our sick and wounded soldiers during the campaign against Spain, is the Chicago Inter Ocean, and it denominates all its contemporarys in the white city as yellow journals.

The middle-of-the-road populist national convention held at Cincinnati the 5th inst have nominated a presidential ticket for 1900. Wharton Barker of Philadelphia received the nomination for the head of the ticket and Ignatious Donnley for Vice president. The Marion Butler part of the convention bolted, and have issued a address to the populist voters of the United States.

One of the principle issues of this fall's campaign is good state government.

The question is whether the reform administration is better than republican rule.

Another question is, whether the present state officers have proven themselves worthy of continued public confidence.

The records are the best evidence and they are open to public inspection.

Every voter should read carefully, investigate throughly, "prove all things, and hold fast that which is good," and then vote for his own interests.

Hon. Thomas F. Fayard a great statesman and diplomat is said to be dieing at Dedham, Mass.

When state treasurer Meserve was inducted into office Jan, 3, 1897 he discovered his predecessor hat left him a shortage of $555,790.66, for which Mr. Bartley now languishes in jail.

According to the daily World-Heral the 3rd Nebr. volunteers, now stationed at Jacksonville, Fa., are preparing to embark for Havana, where the 7th army corps, of which they are a part will do garrison duty in Havana province.

Will the politicians, or the people rule at the representative convention at Crawford next Saturday? The JOURNAL serves notice on the personal of that convention and also the people of Dawes and Sherrdan counties that they can't afford to ignore the rights of Sioux county th is year.

About all the leaders of the republican party can say about Hon. W. A. Poynter is that he is a farmer and a temperance man and that he is a populist. Well if he is a populist the principals he advocates are democratic and there is little differerence between a Thomas Jefferson populist or a Thomas Jefferson democrat.

Under the fusion state administration more fees were accounted for by secretary of state, Porter in 18 months than were turned into the state treasury by all the republican secretaries in the past 20 years. The above may seem to be a sweeping statement, but the record is what talks; the voters of Sioux county should inform themselves, write to Mr. Porter, he will send you a statement of facts.

Following is the cost per year to maintain and keep up land and naval forces of Europe:

Germany.	army and navy		$145,800,000
France,	"	"	176,000,000
Italy.	"	"	62,000,000
Hungaria,	"	"	77,250,000
Great Britian	"	"	202,199,000
Russia,	"	"	258,000,000
Total			$911,449,000

The number of men composing the army and navies of the above six great powers are respectively:

Germany, 607,308, France, 539,260,
Italy, 216,235, Austria, 277,192
Russia, 1,743,244, G. Britain 220,199

Total No. Soldiers. 3,623,438

The Omaha Bee and Lincon State Journal two daily papers, who went after the World-Herald of Omaha for printing so much of what they term fake news regarding the sick and suffering of our soldier boys, made a bad hit when they did so. The World-Herald took their own papers and proved conclusively that they beloged to the same class of newspaper publishers as the Chicago Tribune and News, the Minneapolis Journal and Tribune, the N. Y. World, Times, and Herald, all administration or gold organs who have published pages, telling about the suffering and distress of the soldiers in camp and battle field and they attribute it to the mismanagement of secretary Alger. Hence the JOURNAL and Bee are as much yellow Journals as the World-Herald or the other metropolitan papers mentioned Yes, the World-Herald is enough for a whole state full of such dalies as the Omaha Bee and Lincoln State Journal.

The JOURNAL noticed in the Chadron News of Sept. 2nd a call for a representative Democratic convention, signed by C. C. Patterson of Rushville, state committman. The strange thing about it is, the editor of the JOURNAL by the way is a democrat and runs a democrat paper but have never been requested to publish a call, either by Mr. Satterlee who claimed to us that he had the authority to make the call, neither by Mr. Patterson, and we notice also that the Hay Springs Leader, nor the Hemingford Herald, both democratic and neither have published the call hence it looks as if there was a nigger in the woodpils at Chadron. Even if it were a legitimate call it has been so arranged that a county convention could not be called in any of the counties in this district should the chairman of the democratic county committees so desire. The parties, whoever they may be may think they are playing a smart, yankee trick, but it will react. Snap conventions and bossism in this day and age of the world is loosing its power and the time is coming when that class of politicians will be relegated to the rear. The JOURNAL does not pretend to place the blame either on Mr. Satterlee or Mr. Patterson, but it evident to us that it is a scheme to defeat the will of the people by some one.

Beautiful Easter Lillies or Fairy Lillies.

Florida is the home of the famous Easter Lily. During the blooming season, in some places, the ground is almost white with their beautiful, lily white flowers, and thousand of them are picked by the colored children and carried to market. Before coming north I had a fine lot of the lily bulbs dug, and brought them with me; they make lovely house plants and are sure to bloom. Any one who would like two or three of these lily bulbs can have them by sending a stamp to pay postage. You are indeed very welcome to send as I can get more when I return to Florida next fall.
