AUGUST HASSELQUIST,  
Chairman Committee.

—County commissioners were in session this week.  
—Mr. and Mrs. Charles Thomas of Warbonnet were callers at this office last Thursday afternoon.

—Sheriff Holly expects to spend the winter in the Smith building next to the Turner block.

—The week just passed has been a hard one on the baby element of town. Baby Griswold has been under the weather also, little Baby Bowker and Priddy and little Baby Smuck and little Lulu Bartell all have had their little trials but are getting along fairly well at this writing.

—A letter from Mrs. George Olinger to her parents Mr. and Mrs. G. W. Hester on Tuesday stated she and the children arrived home safely but said that their store building and contents were burned up the same night she reached home. She stated they saved but little out of the fire. The store building and contents were only partly insured.

—Owing to an unpardonable mistake the JOURNAL forgot to chronicle the arrival of a brand new voter at the home of Mr. and Mrs. J. W. Earnest and also the arrival of a little girl at the home of Mr. and Mrs. C. Lewis. Parents and little ones are all well.

—Old fashions in dress may be revived but no old-fashioned medicine can replace Chamberlain's Colic, Cholera and Diarrhoea Remedy. For sale by Dr. J. E. Phinney.

—Our little boy was afflicted with rheumatism in his knee; and at times unable to put his foot to the floor. We tried in vain, everything we could hear of that we thought would help him. We almost gave up in despair, when some one advised us to try Chamberlain's Pain Balm. We did so, and the first bottle gave so much relief that we got a second one, and, to our surprise, it cured him sound and well.—J. T. Bay, Pastor Christian Church, Neodesha, Kan. For sale by Dr. J. E. Phinney.

### How to Prevent Croup.

We have two children who are subject to attack of croup. Whenever an attack is coming on my wife gives them Chamberlain's Cough Remedy and it always prevents the attack. It is a household necessity in this country and no matter what else we run out of, it would not do to be without Chamberlain's Cough Remedy. More of it is sold here than of all other cough medicines combined.

—J. M. Nickle, of Nickle Bros., Merchants, Nickleville, Pa. For sale by Dr. J. E. Phinney.

### Three Doctors in consultation.

From Benjamin Franklin.  
"When you are sick what you like best is to be chosen for a medicine in its first place; what experience tells you is best to be chosen in the second place; What reason (i. e., Theory) says is best to be chosen in the last place. But if you can get Dr. Inclination, Dr. Experience and Dr. Reason to hold a consultation together, they will give you the best advice that can be taken.

When you have a bad cold Dr. Inclination would recommend Chamberlain's Cough Remedy because it is pleasant and safe to take. Dr. Experience would recommend it because it never fails to effect a speedy and permanent cure. Dr. Reason would recommend it because it is prepared on scientific principles, and acts on nature's plan in relieving the lungs, opening the secretions and restoring the system to a natural and healthy condition. For sale by Dr. J. E. Phinney.

DIED—On Thursday morning Oct. 6th of Cholera Infantum Earl Dewey the infant child of Mr. and Mrs. Wm. Marsteller, aged five months, at their home on the east side. Funeral will take place from the house tomorrow afternoon at 2:30. Rev. Kendall will officiate. The bereaved parents will have the sympathy of the entire community in their sad hour of trial.

The bud was ripe for paradise hence the savior took it home.

### Card of Thanks.

We wish to thank our kind friends for their loving care and assistance during the illness and death of our darling baby. Especially do we desire to thank Dr. Phinney for his untiring devotion.  
Mr. & Mrs. Wm. B. MAISTELLER.

Pupils who were neither absent nor tardy, Maud Bartell, Elsie Rohwer, Willie Bartell, Frank Deister, and Edwin Guthrie.

Frank Lindeman, Teacher.

Broer Lindeman need not feel bad because some of the Dawes county politicians and voters are telling around that they cant support Hon. Lewis Gerlach at the polls because the Bulletin is supporting him. You may depend on it that class of voters would not support a good honest man, not if he possessed the attributes of the Savior of the world. Depend on it they are a Hanaocratic class of voters and expect Mr. Gerlach to open up a barrel—not whiskey but the filthy lucre. That class of voters and po it class have no use for candidates whos character and reputation is above reproach, hence the best way is to treat such politicians and voters with silent contempt. They may circulate all kinds of electorating stories, the fertile brain of the politicians is capable of and resort to all the dirty work possible and then Hon. Lewis Gerlach will be elected. Mind what the JOURNAL says.

### A Card.

To the members of the Woodman of the Word and other friends that participated in presentation of the fruit basket and watch charm last Sunday, September 25th inst, commemoration of our 25th wedding anniversary we desire to return our sincere thanks and assure you of our appreciation combined; and trust that each one of you may live to celebrate your Golden and Diamond anniversary's respectively and that kind friends may as completely surprise you each time as you did us.

Mr. & Mrs. E. F. POSTIUS.

The republican state committee is utterly demoralized and in sheer desperation they have resurrected poor old Jay Windy Johnson, and set him at work filling the columns of the country republican press with roseate pictures of the victories they are to gain this fall.

—Baby Bowker has been on the sick list this week, in fact nearly all the babies in town are somewhat under the weather.

### Henry M. Stanley the african explorer

has written out the story of "My First Fight in the Jungle," and has given the manuscript to The Ladies Home Journal, which will publish it in the next number.

Hanna, Elkins and others begin to see the hand-writing on the wall. Hence they held a secret conference with president McKinley on the 28th inst and the president has concluded to let all office holders take part in the campaign whenever they think they have time to do so. They will have time sure after receiving such notice.

Senator Wolcott of Colorado is having hard sailing to get his stool-pigeon ticket out of the field as he finds the free silver people of his state cant be fooled in voting for a McKinley-Hanna-Wolcott ticket in disguise.

Indications are now that the committee appointed by president McKinley to investigate the conduct of the war camps and its officials, will not redound to the credit of either secretary Alger or president McKinley.

A vote cast for Hon. Lewis Gerlach and Otto Mutz Nov. 8th will bring the interest of a free silver U. S. bond.

### How to Tell To-Morrow's Weather

A short, clear, entertaining and valuable lesson for amateur weather observers is given in the September Ladies Home Journal in the form of a series of pictures of clouds, with brief explanatory notes. The page is well worth examining and saving, for there is nothing in the article which would not be understood by anybody, even a child and a little close study will make one qualified to form better opinions than ever before as to what the weather will be.

### Beautiful Easter Lillies or Fairy Lillies.

Florida is the home of the famous Easter Lily. During the blooming season, in some places, the ground is almost white with their beautiful, lily white flowers, and thousands of them are picked by the colored children and carried to market. Before coming north I had a fine lot of the lily bulbs dug, and brought them with me; they make lovely house plants and are sure to bloom. Any one who would like two or three of these lily bulbs can have them by sending a stamp to pay postage. You are indeed very welcome to send as I can get more when I return to Florida next fall.
