VICTORY IN SIOUX COUNTY.

Election day in Sioux county opened with a light snow storm in progress and was very unfavorable for a full vote being cast. However the following figures will show how well the voters turned out on that day, by the vote polled for the various state, congressional, representative and county officers:

Following shows how well the fusion state ticket fared in Sioux county from governor down to assessor in Bowen precinct. Notwithstanding the showing made it is conceded at least one hundred fusion votes stayed from the polls on election day. Just the same, our ROOSTER will crow for the majorities given to the fusion ticket in this county.

A special from Washington D. C., to the World Herald on the 6th inst was to the effect that the national capital had caught fire the night before caused by explosion of gas in one of the sub-basement.

Nebraska according to latest reports is very close and may require the official returns to decide the contest except on Congressmen, which stands, Fusion 4 Republicans 2 legislature is in doubt.

Chairman Kerr of the national Democratic congressional committee estimates the election of 189 anti-administration Congressmen last Tuesday.

According to World-Herald Democrats made a gain of 12 congressmen in New York state and Col. Roosevelt was elected governor by 18,000 plurality.

Report comes from Chadron via Crawford, that Hon. Lewis Gerlach had been defeated in this district for the legislature by a majority of 40 votes. It is a natural result of that one hundred Gerlach votes, it is reported candidate Harbaugh had traded in Chadron, for Fisher votes in order that his election might be made sure for County Attorney. If the Harbaugh & Fisher political deal is true, as it now looks by his and Mr. Fisher's vote in Chadron, Mr. Harbaugh does not seem to be defeated; besides it shows he is a traitor to the party he stands for and also its principals.

Wyoming according to the latest reports is republican.

The queen of bandits and the terror of all peaceable travelers in the east, is Bab Dancalia a woman who of choice became a Bandit, yet is of gentle and respected parentage. Her favorite haunts are the mountains and singular as it may seem she likes to work alone.

Parsnip Complexion.
It does not require an expert to detect the sufferer from kidney trouble. The hollow cheeks, the sunken eyes, the dark puffy circles under the eyes, the sallow parsnip-colored complexion indicates it.

A physician would ask if you had rheumatism a dull pain or ache in the back or over the hips, stomach trouble, desire to urinate often, or a burning or scalding in passing it; if after passing there is an unsatisfied feeling as if it must be at once repeated, or if the urine has a brick dust deposit or strong odor. When these symptoms are present no time should be lost in removing the cause.

Delay may lead to gravel, catarrh of the bladder, inflammation, causing stoppage and sometimes requiring the drawing of the urine with instruments, or may run into Bright's Disease, the most dangerous stage of kidney troubles.

Dr. Kilmer's Swamp-Root, the great discovery of the eminent kidney and bladder specialist, is a positive remedy for such diseases. Its reputation is world wide and it is so easy to get at any drug store that no one need suffer any length of time for want of it. However, if you prefer to first test its wonderful merits, mention THE SIOUX COUNTY JOURNAL and write to Dr. Kilmer & Co., Binghamton, N. Y. for a sample bottle and book telling all about it, both sent absolutely free by mail.

A Sure Sign of Croup.

Hearselessness in a child that is subject to croup is a sure indication of the approach of the disease. If Chamberlain's Cough Remedy is given as soon as the child becomes hoarse, or even after the croupy cough has appeared, it will prevent the attack. Many mothers who have croupy children always keep this remedy at hand and find that it saves them much trouble and worry. It can always be depended upon and is pleasant to take. For sale by Dr. J. E. Phinney.

From New Zealand.

Refton, New Zealand, Nov. 23, 1888.
I am very pleased to state that since I took the agency of Chamberlain's medicine the sale has been very large, more especially of the Cough Remedy. In two years I have sold more of this particular remedy than of all other makes for the previous five years. As to its efficacy, I have been informed by scores of persons of the good results they have received from it, and know its value from the use of it in my own household. It is so pleasant to take that we have to place the bottle beyond the reach of the children. E. J. Stantlebury.
For sale by Dr. J. E. Phinney.

Some Plain Facts.

Grave errors, injustice, wrongs of greater or less degree, arise from lack of knowledge of the truth, and more frequently from deception.

The most infamous case on record of deception and injustice is the attempt to demonetize silver as a means of final redemption in the United States.

There is no learned judge, skilled lawyer, or court of justice that is capable of reconciling the effort with the constitutional laws that govern the issue of money in this country.

The people have been deceived, officials in power, chosen to administer justice under the laws, have ignored their sworn duty, and given aid to the scheme that has paralyzed industry, reduced property values one-half, and beggared millions.

There is no authority of law, either specific or by inference, by which gold alone is made the only money with which to discharge debts, either public or private. The effort to make it so is unconstitutional and a national calamity.

Plain and ample information, facts, and truth, concerning this almost successful scheme to corner the wealth of the people, is now being printed in the Cincinnati Enquirer, a newspaper which the combined power of money has failed to muzzle or buy. The Weekly Enquirer is only 75c. a year. The address is Enquirer Company, Cincinnati, O.
