OFFICIAL PAPER OF SIOUX COUNTY.

Geo. D. Canon, - - - Editor.

Entered at the Harrison post office as second class matter.

The fusion state ticket and the four Congressmen, who have so ably represented the reform forces of Nebraska in congress for the past two years are re-elected for another two years.

The Republicans of this state have secured without doubt the legislature on joint ballot and hence will elect a U. S. Senator to succeed Hon. William V. Allen to the upper house of congress.

The states, recaptured from the reform forces by the republicans Nov. 8th are, Washington, Wyoming, South Dakota and Kansas.

Two years ago when Sheldon of Dawes county was a candidate for Representative Sioux county gave him 110 majority. This year when Sioux county had a candidate up for election for the same position Dawes county populists by making a political deal in behalf of L. N. Harbaugh snatched our candidate under Dawes county's vote proves the assertion beyond a peradventure.

The fifty-fifth Congress is controlled by the republicans by a majority of 51; the new Congress, or the fifty-sixth, will be republican by only 13, as near as can be ascertained at the present time. However, later returns may give the control of the new House into the hands of the democrats.

The Chicago later Ocean, now comes out boldly for the passage of the McCleary single gold standard, greenback and U. S. Treasury note retirement and National banking house bill, which is now before congress for consideration. It says, not until now, has national bonds been sufficient to base the money circulation of the country upon. Hence it is reasonable to expect the republican party, through their representatives, who will control both branches of congress after March 4th next to retire the greenbacks and Treasury notes; the redemption of silver dollars in gold and such other legislation as will insure to the advantage of trusts and corporations. The voters of this county, and the entire state and nation for that matter should keep tabs on national legislation and learn for themselves if what we will be true or not.

Such Populists of Dawes county as L. N. Harbaugh of Chadron, and P. Cooper and Cavin of Crawford, ought to feel proud of the deal made in their county whereby Gerlach votes were traded for Fisher votes in order to make sure Capt. Fisher and Harbaugh's election, whether Hon. Lewis Gerlach or Senator William V. Allen were elected, one to the U. S. Senate were defeated or not. If these men had a hand in the deal—and from what we hear through sources which we have every reason to believe is true—they are not even worthy to stoop down and buckle the latches of Hon. Lewis Gerlach's shoes, much less those of Sen. Allen. These men are Populists, who pretend to stand for all kinds of reform and hence deserve censure and condemnation more than the other reform parties because they yielded to giving the Populist their candidate. No doubt Democrats figured in the deal, and with those Populists who did, deserve the utmost contempt of all honest voters in this District.

An Open Letter From the Chairman of the Democratic Central Committee, 53rd Representative District.

THE BLAINE, E. D. SATTERLEE, Prop.

To all those who were interested in Senator Allen:

After the close of an honest and terrible struggle on the part of Mr. Gerlach to be elected, in the interest of Senator Allen, and the People's cause, which ended only at the poll's close, we are met by defeat, which to us is honorable. But in a District which Sheldon carried by 740 majority our defeat is not honorable to all.

Answering the query, we can only say Capt. Fisher's election was not possible, but for the presence in this city, of those fusionists who were willing to barter an United States Senatorship for the office of county Attorney, which was not delivered.

Don't you know Gerlach's 116 votes in Chadron would have been 197, but for the County Attorneyship.

Can it be possible that the Precinct which gave P. G. Cooper but 87 vote against 325 for Arthur M. Bartlett for Sheriff, would honestly give L. N. Harbaugh, 216 against 217 for W. H. Fairing.

Fellow Democrats, and all Populists outside of Dawes county, when Reynolds and Fisher vote for John Law-wheat Webster for United States Senator, think of 215 votes in Chadron for Harbaugh for County Attorney.

But the cause of the just will prevail. From an honorable defeat, let us begin a new battle for Right.

E. D. SATTERLEE, Chairman Central Committee 53rd Representative District.

How To Find Out.

Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

What TO Do.

There is comfort in the knowledge so often expressed that Dr. Kilmer's Swamp Root the great kidney remedy fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passages. It corrects inability to hold water and sealding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. At druggists fifty cents or one dollar.

Dr. Kilmer's Swamp Root is a safe and reliable remedy for all kidney troubles. It is sold in bottles of fifty cents and one dollar.

Last week's election shows one of two things. Either some people are losing all interest in self government, or they are entirely devoid of appreciating good, honest government and honest servants in office. It has taken years of hard work and toil by good men to oust as rotten a ranc as ever infested a state-house, and if ever a people had a right to be gratified, our people had a right to be for no party had ever given any state a more brilliant administration than the fusion forces gave Nebraska in the last two years. The state was put into the foremost of the states, financially, and under ordinary conditions one would suppose that the tax-payers would show their appreciation of this by turning out en masse on election day, and return by a larger majority than ever the party which had been so true to their cause. A legislature was up for re-election to finish up the noble work begun two years ago, namely, of cleaning up the balance of Republican rottenness and thievery, perpetrated in the state while in office. Senator William V. Allen too, the most renowned of them all, was up for re-election, and deserved to be re-elected for no state ever sent a more brilliant senator to Washington than he. He not only was an honor to his state but a pillar to the republic and a strong one at that.

But regardless of all this interest at stake the people, the tax-paying people of Nebraska, stayed at home on election day and let the same, old rotten gang back in again. Oh what gratitude for services well performed.

Right here in Sioux county, fully one hundred voters stayed at home on election day and defeated our own townsman, Hon. Lewis Gerlach for the legislature, to which he so rightfully deserved to be elected. No man but must say that Hon. Lewis Gerlach was fully qualified for the position and would have been an honor to Sioux county in Lincoln had he been elected. Several of our Representative citizens fought for two days to convention to secure his nomination, on the claim that Sioux county was entitled to the same. Mr. Gerlach, too, made an honorable campaign over the district, spending both time and money to secure his election, as he felt himself in duty bound to the party that nominated him, and after all this exertion one hundred men in Sioux county do not think enough of their citizenship to spend four or five hours in just one day to go to the polls and vote for him as they would have done, had they gone to the polls. This is a sad state of affairs and the injustice done Mr. Gerlach and his friends is something of which some of our citizens need not feel proud. So long as people will take the right of citizenship so lightly and prove so untrue to themselves as they have done this year and in years past, they must not growl or complain of rotten government, for an old saying is that God helps him that helps himself.

Painful Complexion.

It does not require an expert to detect the sufferer from kidney trouble. The hollow cheeks, the sunken eyes, the dark purplish circles under the eyes, the sallow parsip-colored complexion indicates it.

A physician would ask if you had rheumatism a dull pain or ache in the back or over the hips, stomach trouble, desire to urinate often, or a burning or scalding in passing it; if after passing there is an unsatisfied feeling as if it must be at once repeated, or if the urine has a brick dust deposit or strong odor.

When these symptoms are present no time should be lost in removing the cause.

Delay may lead to gravel, catarrh of the bladder, inflammation, causing stoppage and sometimes requiring the drawing of the urine with instruments, or may run into Bright's Disease, the most dangerous stage of kidney trouble.

Dr. Kilmer's Swamp-Root, the great discovery of the eminent kidney and bladder specialist, is a positive remedy for such diseases. Its reputation is world wide and it is so easy to get at any drug store that no one need suffer any length of time for want of it.

However, if you prefer to first test its wonderful merits, mention THE SIOUX COUNTY JOURNAL and write to Dr. Kilmer & Co., Binghamton, N. Y. for a sample bottle and book telling all about it, both sent absolutely free by mail.

Raefton, New Zealand, Nov. 23, 1888. I am very pleased to state that since I took the agency of Chamberlain's medicine the sale has been very large, more especially of the Cough Remedy. In two years I have sold more of this particular remedy than of all other makes for the previous five years. As to its efficacy, I have been informed by scores of persons of the good results they have received from it, and know its value from the use of it in my own household. It is so pleasant to take that we have to place the bottle beyond the reach of the children. E. J. Scautlebury. For sale by Dr. J. E. Phinney.
