We Need
Our Money.
 Parties who are in
 arrears on subscription to the
 JOURNAL for one and two
 years are requested to settle
 by January 1st next. It
 costs us money to run the
 paper and we feel the price
 of one year's subscription
 \$1.00, is not much to pay for
 the material assist in making
 the paper better for the next
 year. We hope to make some
 improvements in the machi-
 nery of the office the coming
 year and we will need what
 is due us to do so. We
 have over \$500. on our books
 and we must have them bal-
 anced up by the end of the
 year. GEO. D. CANON,
 Editor and Proprietor.

To those who made
 arrangements to haul us wood
 on subscription, we would
 like very much to have it
 brought in as soon as possi-
 ble.

The Best Plaster.
 A piece of flannel dampened with
 Chamberlain's Pain Balm and bound on
 to the affected parts is superior to any
 plaster. When troubled with a pain in
 the chest or side or a lame back, give it
 a trial. You are certain to be more than
 pleased with the prompt relief which it
 affords. Pain Balm is also a certain
 cure for rheumatism. For sale by Dr.
 J. E. Phinney.

This Week.

—T. B. Snyder was up from Sheep
 creek last Monday.
 —Governor Holcomb has issued his
 Thanksgiving proclamation.
 —Mrs. W. H. Davis is spending the
 week with her parents.
 —Mrs. W. H. Davis and children of An-
 drews were guests at the Bartell man-
 sion on last Tuesday.

Mrs. E. J. Wilcox who only returned
 from Omaha a few days ago is reported
 as being on the sick list.
 —According to the Rushville Stand-
 ard, the Representatives ran 50 votes be-
 hind the fusion state ticket.

Gotthip Knorr bought 24 head of young
 cattle of G. W. Hester last Saturday,
 which Mr. Hester shipped from Sioux
 City last week.

M. J. Blewett, with his family and
 Miss Louise Liedeman, his sister-in-law
 went to Crawford last Saturday to visit
 their relatives, staying over Sunday and
 returned Monday noon.

Frank Stratton, brother of John,
 came in from the Black Hills last Satur-
 day. He will doubtless assist John with
 his saw-mill this winter.

Sheriff Holly went to Norfolk, last
 Saturday evening with Jo Parkinson,
 who had been adjudged insane by the
 insanity board of this county last week.

 goods out to J. H. Bartell's ranch where
 they will live during the winter at least

 will give a dance at Andrews Hall

 Every body is invited to attend.
 Come and have a good time.

Frank Tinkham, an old resident of
 this county, now the enterprising liv-
 erman of Douglas, Wyo., came down on
 business last Monday evening, returning
 the next day. Frank reports Jack Kreis-
 ler as being in Carbon county, chopping
 ties for the railroad company.

E. F. Pontius informs us he has
 notified the town board of the village of
 Harrison as the agent of the F. E. & M.
 V. Railroad Co. to enact an ordinance
 prohibiting boys from jumping on and
 off the cars an committing nuisance
 around the depot. Hence the company
 will not be responsible for any accident
 that may occur from negligence of the
 authorities or parents of children.

Roy Wright, has rented the office re-
 cently vacated by attorney A. T. Clark,
 and will move into it. Whether he in-
 tends to hatch or take unto himself
 another and better half is more than we
 can tell just at this time, but it will
 take time to solve the mysterious ven-
 ture which we now believe is about to
 take place between LeRoy and his
 fiancées.

Sioux county, according to its popu-
 lation made a far better showing in their
 loyal support of the fusion state ticket,
 clear down to the representatives, than
 Box Butte, Daws or Sheridan counties.
 The reason is nothing more nor less than
 that there were no traitors among fusion
 voters, who cast their votes on election
 day to sustain and maintain good, honest
 government and the reelection of
 Hon. William V. Allen to the U. S. senate.

D. S. Cox of Ft. Robinson, was in Har-
 rison last Friday together with a Mr.
 Parks on business connected with the trans-
 fer of Mr. Cox's land which he sold to
 Mr. Parks of Chadron, who will make a
 sheep ranch of it. Mr. Cox will remove
 with his family to St. Roan, in the south-
 eastern part of this state, about March
 1st next, where he has purchased a farm
 and where he expects to make his future
 home. We regret to lose Mr. Cox as a
 citizen, but our loss will be St. Roan's
 gain.

We are in receipt of a wedding Card,
 announcing the marriage of Col. John
 G. Maher, of Chadron, and Miss Wilhel-
 mina Stuekey of Lincoln, Neb. Tuesday
 Nov. 10, 1898.

The JOURNAL offers congratulations,
 Colonel, and when we are next in Chad-
 ron, you will be expected to set up one
 of those long filler Havanas. We hope
 you and the companion of your choice
 may live long to enjoy one and the other's
 companionship.

A copy of the Custer (S. Dak.) Week-
 ly Chronicle received at this office yester-
 day containing the official abstract of
 the vote of Custer county South Dako-
 ta, we notice among the names of the
 different candidates running for office in
 that county this fall, is the name of R.
 W. Winsor, running for Register of
 Deeds on the Populist ticket. Mr. Winsor
 certainly must be a very popular man
 from the fact that his majority was the
 highest of any other candidate on the
 entire ticket. Mr. Winsor is a brother-
 in-law of the Slatery boys down in War-
 bonnet precinct, and is well known in
 this county. Mr. Winsor's many friends
 here will be gratified to learn of his suc-
 cessful career for the office he was re-
 elected to 8th Nov. 8th Inst.

—A splendid time and a good turnout
 was reported at the M. E. Parsonage
 last Monday night besides the minister
 was pounded in the bargain.
 —Mrs. M. Blewett did not return home
 with the rest of the family last Monday
 noon on account of a younger sister at
 home being quite sick and she stopped
 over for two or three days to assist her
 mother to take care of her.

We noticed in the Rushville Stand-
 ard of the 11th inst, a local to the effect
 that Mrs. Sheriff Holly of this place,
 who went to the hospital at Gordon two
 or three weeks ago to receive medical
 treatment had had a difficult but success-
 ful surgical operation performed on her
 last week. Mr. Holly, who went to Nor-
 folk last Saturday evening with the in-
 sane man, stopped at Gordon on his way
 back to learn how his wife's health was
 progressing, and reports she was doing
 as well as could be expected after hav-
 ing undergone an operation. He thinks
 she will be able to return home in two
 or three weeks should nothing more seri-
 ous happen to interfere with her recov-
 ery within the next ten or twelve days.

A little before four o'clock yester-
 day morning fire was discovered in W.
 H. McMullin's second hand store east of
 the depot. The fire spread rapidly to the
 Star Hotel owned by John Price and oc-
 cupied by W. P. Hamlin. The Ark-
 ansaw Kitchen owned by B. F. Bunch
 also burned to the ground. The grocery
 store owned by J. A. Smith was damag-
 ed considerably.

W. P. Hamlin says there were 5 or 6
 guests at his place. Thinks his loss to
 be \$200 or \$300. Most of the bedding
 and good furniture were destroyed. All
 the beds up stairs were lost. Some of
 the guests lost nearly everything. There
 was no insurance on Hamlin's
 goods or the building.—The Rodgers
 (Ark.) Republicans.
